Mr. Benny E. Overton

WOMEN'S MISSIONARY UNION

The 2005 Flat River Baptist Woman Missionary Union began its new year as always busy, with 76 leaders from 21 of our churches attending our August 23, 2005 leadership conference at Oxford Baptist. Becky Currin filled the mission involvement position left vacant by the passing of Virginia Tuck. Virginia will be missed and will be long remembered for her dedication and love she gave to this ministry. We continue to encourage our churches to support the North Carolina Missions Offering which is the main support of work done by the NC WMU, NC Baptist Men, Church planting, missions education, lay renewal and language ministries in our state. We also observed World Hunger, Baptist Women Day of Prayer and a large number of our churches filled boxes for our Baptist Children Homes collection. December brought opportunities for many of our resource team members to speak in our churches on the work of WMU and encourage our Lottie Moon Offering. January's Baptist Men and Women on Mission Banquet at Pleasant Grove was a wonderful time of good food and enjoyable fun with Dr. David Mathews as our speaker and the Creekside Quartet as our special music. Our 97th Annual Spring Meeting was held at Providence Baptist Church. Sandy Harrison lead our prayer retreat, with the Rev. Randy Pittman giving a short devotion and the "Heavenly Heroes" leading our music. Mission Friends had their day camp on April 8 at Providence Baptist Church. Our Acteen/Youth on Mission Rally was held April 22 at Mountain Creek Baptist Church. GA and CIA enjoyed their camp adventure at Oxford Baptist Church on April 29. All of our WMU events involved mission

action projects that supported the Baptist Men of North Carolina laundry unit used in Gulfport, Mississippi. Thanks to all of you, who have supported us with your prayers and words of encouragement.

-Mrs. Wanda Temple

BELARUSSIAN CHILDREN'S MINISTRY

There were sixteen children and two chaperones in our group this year. One family hosted three Belarussians in their home and four families hosted two in each of their homes. Their visit to the United States was very enjoyable and good for their health. The group arrived in the U.S. on June 12, 2006 and departed on July 24, 2006. Thanks to everyone who supports this ministry by hosting children, financial support and prayer support. Please continue your support.

-Mr. Pello Duncan

FRBA BLOOD DRIVE

FRBA sponsored two Blood Drives during the last twelve months. Both Blood Drives were held at West Oxford Baptist Church, one in June and the other in December. The next Blood Drive will be December 15, 2006 at West Oxford Baptist Church. Thanks to those who give the "Gift of Life."

-Mr. Pello Duncan

SUNDAY SCHOOL

In April of 2006 we held our VBS Training Conference at Delrayno Baptist Church. The attendance was very good. The conference was filled with a lot of excitement and enthusiasm from the staff and those in attendance. Hopefully plans are already in the making for our 2007 VBS conference and the date will be out to the churches soon.

I pray that all of our churches will get excited about our Sunday School programs and I encourage you to try some new approaches to your programs.

Mrs. Shields Blackwell

TIME, PLACE AND PREACHER

The 214th annual session of the Flat River Baptist Association, Inc. is scheduled to meet on Monday, September 17, 2007 with Sharon Baptist Church. Rev. B. Patrick Cox is scheduled to bring the annual sermon.

-Mrs. Wanda Temple

BUDGET PROMOTION

The Flat River Baptist Association, Inc. is supported by the prayers and financial support of the member churches. At the present time the association is debt free. We ask that the churches will continue to support the association so that our mission endeavors will accomplish even greater works in the future. We hope that each church will consider giving at least 4% of their undesignated receipts, if they are not presently doing so.

Each messenger should have received a copy of the proposed 2006-2007 budget in your handout when you registered. Except for small raises for our staff and an increase in insurance, the budget is basically the same as last year. The total increase in budget is $3,775.00 that is a 2.48% increase. The 2005-2006 Budget Committee was Mr. Ray Huff, Chm., Mr. Roger Overton, Mr. David Ford, Mr. Dave Williams, Mr. Tommy Winston, Mrs. Susan Whitt and Dr. Fred Knott, ex-officio.

-Ray Huff

CHURCH AND COMMUNITY MINISTRIES

As I reflect on the past year, I am astounded at how quickly my first year as CCM Director passed by. Just a year ago I was reeling in disbelief as I learned that Virginia Tuck, my dear friend and mentor, had passed away. However, God prepares in advance for needs to be met when we are obedient to His call. I enjoy saying that Virginia had the last laugh on us as the Lord called her home just before the busiest time of the year for CCM.

Paul tells us in 1 Corinthians 3:10-11, "By the grace God has given me, I laid a foundation as an expert builder and someone else is building on it. But each one should be careful how he builds. For no one can lay any foundation other than the one already laid, which is Jesus Christ."

Thankfully, Virginia left a good foundation on which I hope to continue build upon as God leads me in the future. One layer of that foundation is a strong core of volunteers who come to work each week and many others who stand by on call as I need them. I thank God for them!

The churches of the Flat River Baptist Association comprise another layer on the foundation as they have been a great encouragement to me as shown by their interest and desire to participate in the mission activities of CCM.

Many needs have been met through donations of furniture and household goods and of course, monetary funds. From these donations, CCM helped meet the needs of families who lost their homes to fire, relocated victims of domestic abuse, and those who were financially unable to purchase furniture and other household goods for their homes. "Thank you for making my house a home" from one recipient was a blessing to hear.

Wal-Mart gifts were given to the 26 children of the Central Children's Home. Fifteen John Umstead and 14 Murcoch residents received gifts. Approximately 350 Samaritan Purse shoeboxes were delivered to the collection point at N. Henderson Baptist Church. 800 bars of soap were collected and delivered for the Women's Prison Christmas Red Box.

Forty children attended the Back Yard Bible Club held at the Oxford Housing Authority. Left over materials were mailed to a small church in need here in North Carolina.

CCM mailed numerous boxes of supplies to George and Faye Cannady and gave $1,000.00 to help with their ministry.

Out of our monetary blessings, we also gave $1,000.00 each to ACIM, the Belarussian Children's Fund, to Families Living Violence Free, the Jesus Video Project of Granville County, the Angel Tree Campership Fund, the Murdoch Center Campership Fund, the Damascus Home, and Lifeline Outreach Ministries.

We collected eyeglasses and infant clothing for Wanda and Bobby Temple to carry to Honduras. We provided coats, gloves, and winter caps for Bob Wainwright to carry to the Ukraine. We mailed numerous boxes of prescription bottles to Samaritan's Purse for their overseas medical missions. We collected over 200 lbs. of pop-top tabs for the Ronald McDonald House of Durham. We also collected discarded cell phones and printer cartridges for the Baptist Children's Home.

The CCM Thrift Store that is open every Wednesday provides quality clothing and home décor items at very reasonable prices. People enjoy shopping with us.

As "God's fellow workers", we pray for His guidance that we may truly be His hands and feet here on earth, meeting physical needs that will pave the way for meeting the spiritual needs. To God be the Glory!

DAMASCUS HOME

A lot ahs certainly transpired since my last address to the Saints gathered at the 2005 Annual Meeting. Following that September meeting, on October 12th, we lost a former resident. This man had left the home after a visit home and a bout of impairment, followed by several months trying to refocus his attention on God's will for his life. After much counsel over several months of phone calls with him, he finally made it back to Bethel for follow up. Scheduled to return to Damascus October 2nd, he called to say he was going to return home instead, where he resumed drinking. He died nine days later.

Not a day goes by that I don't think of this man and continue to pray for his wife and children. His death underscores the importance of the ministry Flat River has so graciously consented to support over the last

decade. While not every story is a picture of success, neither are many as unfortunate as the one I shared. Since our last meeting, I have signed certificates for three men who have finished the entire six-month program and have gone on the resume their new lives in Christ. Two days after the 2006 meeting, on September 20th, I will present a fourth man with his certificate, acknowledging his good finish to the commitment he made back in March. While four men in twelve months may not seem like a lot, put yourself in the shoes of any one of these four. This number is also not at all representative of the many who have come our way, and for whatever reason were unable to complete their stay. Nonetheless, their lives were impacted by the time they spent in our midst, as were our lives also impacted by theirs. The writer of Hebrews tells us to not forsake the assembling of ourselves together. At the very least, time spent with other believers, sharing in the hearing and study and living out of God's Word would be, and certainly not in vain. While we are certainly burdened for those who did not go the distance, we cannot say that they have failed. God alone is faithful. Neither I, nor any of Flat River's great Saints, can lay claim to uninterrupted service to our Lord. Instead, we have admonished and continue to pray for our departed, and with great humility, we will all learn from their mistakes. What we do celebrate each and every day is just that. Those who are with us and those who were with us, each and every one, were taught and have realized the grace of God that allows us to sufficiently get through each day. Days filled with common temptation that affects us all; something that many outside of places like Damascus often fail to realize. Learn with us, as we discover that all of our problems, even the addictions we bring into our own lives, are worship problems; brought about by our failure to allow and keep God on the Throne of our lives.

As I write, there are five men in the home, with two in the process of moving out into the community, and another expected within the month. Rejoice with us over the great outpouring of support we have received from several of our member churches; like Amis Chapel, Bullock, Butner First, Concord, Corinth, Creedmoor First, Fellowship, Florence Ave., Poplar Creek, and Tabbs Creek. WE also enjoyed support from business owners from our association who have donated appliances, food, dental care, fixed TV's, helped with getting jobs, and even gave jobs; as well as the many who have just called or came by consistently and sporadically, all in an effort to show their support for the mission of Damascus Home. Many have served on our board this year and must be commended as well. Not your typical rubber stamp group, they have given of themselves to see these men grow in the faith and faithfulness. If you have yet to find your place in this your mission, don't fret, Jesus has no yet returned; there is still time to be faithful.

INTERNATIONAL MISSIONS

Thousands of missionaries around the world have borne faithful witness to our Lord. Each missionary is called of God to be His servant and they have given evidence of a level of commitment beyond most.

We need to pray for our missionaries in times of discouragement, and burnout, temptation, exhaustion and depression; in times of victory, enjoyment and excitement. Each is called upon to pray for our international missionaries. Pray for the missionaries in cultures that are different from their homeland and pray for an abundance of God's love and protection to surround them. Pray that the work of the missionaries may grow and that they may have eyes to see the needs around them. Pray for the unnamed missionaries in countries that don't allow the Good News to be taught; that they may be bold in their witness. Pray for the children of those missionaries that live on the field and for those that live away from their parents, and for the families of missionaries who have died on the mission field. Pray for God to fill each missionary's life with blessings.

We need also to continue our commitment of financial support. The Lottie Moon Christmas offering is collected each year to give additional support to our missionaries.

CHRISTIAN EDUCATION

All institutions of higher learning exist to provide an education for their students. However, your Baptist colleges and universities- Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate- are unique in that they exist to provide enrolled students in education with a mission. The mission goal is to train and develop the knowledge, skill, mind and character of students with a special purpose. And that special purpose is to encourage and enable students to use the expanded knowledge, enhanced skills, improved minds and enriched character they gain to impact the world for good in keeping with their faith commitment to God through Jesus Christ.

In order to achieve that mission and purpose, our continued support is needed through prayer, making information available about Christian higher education as an alternative for graduating high school students, and financial support. Last year (2004) a total of 550 North Carolina Baptist students received financial aid in the amount of $1,174,922 with students receiving an average of $2,136 each thanks to your support. One student from Pleasant Grove Baptist Church in our Flat River Baptist Association received such scholarship aid.

There are many deserving students who would not have been able to attend a Baptist college or university of their choice without your generous financial assistance. We owe a debt of gratitude to our institutions of Christian higher education for providing prospective

students with a choice of education with a Christian mission. And thanks to the church families in our Association, who, in cooperation with Baptist churches around the state, continue to support North Carolina Baptist students. Together we are impacting the world for good and for God.

BAPTIST RETIREMENT HOMES

Baptist Retirement Homes of North Carolina are continuing to meet the needs of the rapidly growing number of senior citizens in our state. Since 1951, the five facilities have been ministering to individual retirees. Sunday after Sunday, a high percentage of residents are singing "Praise God from Whom all Blessing Flow." This hymn, learned in their youth, continues to ring in their hearts because of the generosity of North Carolina Baptists.

Retirement living options can be made to fit individual needs. Those who are active find an enjoyable and secure setting. Help can be provided for those needing assistance with housekeeping, bathing, dressing and meals. Skilled care can be provided, by professionals, for those needing these services. Temporary care after a sickness or surgery and services for those needing in home nursing and therapy are available, as well.

Psalm 103 speaks as a song of praise to Aging Saints who have at least a portion of their care made possible by gifts taken from Baptist Churches across North Carolina. Verse 2 says..."forger not all His benefits." God uses His people to provide beautiful, secure comfortable places where physical, mental and spiritual needs are met with quality care. Verse 4 says ... "crowns with love and compassion." He sends those with a heart for service to give themselves to ministering to His aging saints with love, compassion and respect. From verse 17 ... "mercy is from everlasting to everlasting." There are four Baptist pastors who serve as chaplains and with the generosity of North Carolina Baptist, retirees are given assurance of those "everlasting arms."

Thank you for being a part of this important ministry.

ANNUITY

During the past year significant strides have been made to provide the very best service to employees of our churches and agencies who are active participants in the retirement plan, jointly administered by GuideStone Financial Resources, SBC, and the Baptist Convention of NC, Inc., and to those who have purchased insurance products from GuideStone. Through a contractual agreement with Morningstar Associates, LLC, a registered investment advisor, retirement participants now have access online to a leading innovator in offering retirement advice. Specifically, Moringstar Retirement Manager offers objectives, expert recommendations and resources to help participants make clear decisions about their retirement plans. Never before have we been able to offer this incredible service at no cost to our retirement participants.

In the life and health areas enhancements continue to be made to provide additional flexibility in plan options, deductibles and competitive rates. Taking advantage of significant discounts through Highmark Blue Cross Blue Shield, medical plan tares have been stabilized. While over 40% of personal plan participants received a decrease in rates for 2005, over 57% of personal plan medical participants received a decrease in rates in 2006. Additionally, the two Medicare supplement plans offered to retirees also received rate decreases in 2006. The 31 day open enrollment period for new students in our divinity schools, Bible institute, and seminary continues to be an attractive option for that target group.

During the past year the importance of the protection benefits (disability and survivor), which come free to those who are active

participants in the Church Retirement Plan and who are serving an eligible church, was magnified with 100 participants receiving disability protection benefits and 40 families receiving survivor benefits because of that many deaths among our church employees. One widow, whose pastor/husband in his early 50's suffered a stroke and died with ten days, received a survivor benefit check in the amount of $50,000 in addition to the money his retirement account. The survivor check of $50,000 came quickly (also tax free) and proved to be a "life saver" to this widow. As in previous years, the great challenge is to educate our church employees and key lay leaders in our churches about these great benefits provided at no cost to those church employees who meet the eligibility requirements.

Furthermore, we gladly cooperate with the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of June 30, we have 222 North Carolinians, who have met the very strict guidelines, receiving financial assistance from GuideStone Financial Resources. Unfortunately, others could be assisted if we only know whom they were.

In conclusion, it is our strong desire to increase the level of retirement participation and to serve all of our churches and their employees with the appropriate information/products to meet their needs. For more information call the Baptist State Convention of NC at 1-800-395-5102 extensions 320 or 321, visit our Web site at www.northcarolinabaptists.org, call Guidestone at 1-888-984-8433, or visit the GuideStone Web site at www.GuideStone.org.

Flat River Association participates in the Adopt an Annuity Program. This makes it possible for a retired minister who was never covered by our retirement program to receive extra income when below the monthly level. As your GuideStone representative I am encouraging our churches to observe Adopt Annuitant Sunday, June 24, 2007 and include this item in your budget.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptist of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2005, the Foundation assisted individuals in establishing 49 endowment funds and 12 charitable remainder trusts totaling $1.8 million and received $7.1

million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $10.6 million in contributions during 2005 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2005, the Foundation held $136.1 million under management.

During 2005, our distributions totaled $7.8 million, with charity receiving $5.7 million and individuals, through trusts, receiving $2.1 million. During the 85-year history of The North Carolina Baptist Foundation, Inc., $29.1 million has been distributed to individuals and $53.3 million to Baptist churches, institutions and mission causes for a grand historical total of $82.4 million.

BAPTIST CHILDREN'S HOMES

Many Voices, One Story...North Carolina Baptist attending the Baptist State Convention Tuesday evening, November 15, 2005, sat as the light in the Joel Coliseum in Winston-Salem dimmed. Messengers and guests arrived anticipating the night's report from Baptist Children's Homes (BCH). Every five years, the Institution presents a 30-minute expanded report, which many people view as the highlight of the convention.

The crowd present this night leaned forward as the first child stepped to the microphone to tell her story. Children and residents representing BCH's four campuses, wilderness camping program, group homes and developmental disabilities ministry filled the stage area. The 2005 meeting was BCH's opportunity to share the ministry through children's testimonies and songs while highlighting the Institution's 120th anniversary.

BCH president Michael C. Blackwell enthusiastically addressed the group declaring, "We are uniquely, proudly, passionately, and incurably a part of the North Carolina Baptist family."

To closes the presentation, Broyhill Home resident Jennifer and developmental disabilities resident Marcie sang, "Jesus Loves Me."

"These are God's miracle children...," Blackwell said. "I want you to see in those eyes the eyes of our God who loves children."

But the true pinnacle of the evening for one special child occurred away from the eyes of messengers.

"We were all saying goodbye when I looked down and saw Jennifer crying," said Lou Arnsdorff, Jennifer's childcare worker. (Jennifer had just sung on stage.)

A tearful Jennifer told Arnsdorff, "I just want to ask Jesus into my heart." In a crowded hallway outside the auditorium, Jennifer accepted Christ as her Savior.

Show you love... This year's Baptist Children's Homes offering theme, "Show You Love," represents the pivotal role individuals and churches play in the loves of hurting children.

North Carolina Baptists show their love through their prayer and financial support. It is only through this commitment that BCH can continue to make a difference. This year's statewide offering goal is $1,375,000. This represents a $25,000 increase from last year. Challenge your church to participate in the 2006 Offering Campaign.

Biography Unveiled... The biography of BCH president Michael C. Blackwell was published and officially unveiled to the public in April. *Just Call Me Mickey: From Mill Village to Mills Home, The Journey of Michael C. Blackwell* was written by the late Wint Capel, former editor of the *Thomasville Times.* The book chronicles Blackwell's life from his humble beginnings as a boy living in the mill village town of Gastonia to becoming president of one of the largest private children's homes in the southeast United States.

Dedicated to the Glory of God... Baptist Children's Homes set its sights toward the future expanding its services to children and families.

- The Alverta Bolick Home in Asheville was dedicated in May. The facility is home to developmentally disabled adults in the Asheville area.
- The campaign to build two similar facilities for special needs adults in the Sanford community began in August 2005.
- A state-of-the-art education center in Kinston was dedicated in July. The new Reverend Kenneth E. Haigler & William "Bill" Overcash Education Center offers an on-campus school to residents at BCH's Kennedy Home.
- The Winifred Lindsay and Three Forks Homes for developmentally disabled adults were dedicated August 27 in Boone.
- Groundbreaking for DDM homes in Sanford and Asheboro will take place September 10 and October 14 respectively.

NORTH AMERICAN MISSION BOARD REPORT

Hammering out the Gospel armed with saws, hammers, and the love of Christ, Baptist builders respond to disaster and the needs of communities by putting their skills and their faith to work. Baptist builders from as far as Alaska, Oregon and Washington have been showing up to work on disaster relief in the Gulf. The following is an update through August 23, 2006 for 2005-2006.

More than 936,346 meals have been provided; 4,124 recovery jobs have been completed; 99,398 showers; 7,479 laundry loads and 560 children in childcare—all in response to Hurricanes Katrina, Ophelia, Rita and Wilma. There is still cooking going on for volunteers in Gulfport, MS. North Carolina Baptist Men have set a goal of rebuilding 600 homes in Gulfport over the next two years. Four couples are there coordinating and assisting these projects. 265 homes have been completed.

TEENS ON MISSION. About 29% of all American teens (ages 13-17) have participated in a religious mission trip or service project at least once in their lives, 18% have been on two or more trips, and 10% served on 3 or more trips. 56% SBC teens shared their faith with another person in the last year. 32% have participated in organized or community service while 44% reported directly helping homeless people, needy neighbors, friends or family in need.

The NAMB has begun a work with the NFL and other sports leagues and have reached about 60 players for Jesus Christ in the last year.

There are about 5,364 North American missionaries in the U.S., U.S. territories and Canada. The Annie Armstrong Easter Offering goes directly to support these missionaries. 75% pays missionary salaries and benefits. The remainder of the funds goes for the missionaries' evangelism and church planting ministries.

Many volunteers are working throughout the United States, its territories and Canada with all kinds of needs, rebuilding homes and churches to wheelchair ramps. Many are being won to Christ through these ministries.

NORTH CENTRAL REGION

The North Central Region (Cullom, Flat River, North Roanoke and Tar River Associations in partnership with the Baptist State Convention) has had a busy and fruitful year. Each of the three acting taskforce groups has and is in process of significant projects on behalf of the member congregations.

The Missions Involvement Group has provided a Block Party Trailer for use of the congregations in block parties, VBS, community festivals, outreach events, etc. The trailer is already in use and may be scheduled by calling or emailing the Tar River Association. The 18-foot trailer is equipped with an inflatable slide, inflatable bounce house, popcorn machine, snow cone machine, cotton candy machine, 12 ft. parachute, 4 tables, canopy, generator, hand truck, 2 50 ft. extension cords, 2 9 ft. extension cords, cord holders, tie town cords, spare tire, lug wrench and hydraulic jack. Churches using the trailer are asked to pay a $100.00 user fee to help cover the insurance and trailer upkeep. This provides a tremendous savings for congregations wishing to provide community activities. The rental price on any one of these multiple pieces of equipment would far exceed the $100.00 user fee. Congregations are also expected to return the trailer and contents clean and in good working order.

The Missions Involvement Group is also encouraging congregations to participate in the annual Operation Inasmuch emphasis by serving their community on October 28 or the date of your choice. The taskforce is purchasing a promotional item in bulk, a 9-inch sport flyer (small Frisbee), which can be given away. Each sport flyer will have *Operation Inasmuch, Matt. 25:40* printed on it. Churches may purchase these from the taskforce at a reduced price to assist in their Operation Inasmuch efforts. Since no specific dates will be printed, the flyers can be used at any time. Laura Davis, Wise BC, Cullom Association, is facilitator of this group.

The Leadership Development Group has provided access to the CNN network for use of member congregations and congregational leaders. CNN or Church Communication Network make available satellite broadcasts of nationally known authors, teachers, and speakers. There are approximately 50 broadcasts per year. Individuals, small groups, or congregations can choose to participate in a live broadcast at a specified time or may check out a DVD of a broadcast for use at their convenience in their church setting. Live broadcast participants can no only listen and hear the speakers, but they also can call in, ask questions or make comments, and have the speaker respond to them live. Spaces in the Tar River Associational Office have been set up for the broadcasts and taping. See the North Central website for further info.

Inviting God's Presence: Congregational Committees Seeking God DVD, a previous project of Leadership Development Group is still available. The *Inviting God's Presence* listening guide has been put on the BSCNC website for free download and printing, reducing the price of the DVD from the initial $20.00 to the current $15.00. Any North Central

requesting church has already been sent a free copy. Other similar projects are in the making. Stan Brown, Memorial BC, North Roanoke Association, is facilitator of this group.

The Revitalizing Existing Churches Taskforce has put together a process to assist congregations desiring spiritual renewal. That process is explained in a new brochure entitled "Transformed By God's Spirit." A brief DVD by the same title is being developed to demonstrate and challenge individuals and congregations towards an increased spiritual focus. This DVD will feature individuals from two North Central congregations and will be available free to any requesting North Central congregation. It is appropriate for use with congregations, deacons, church councils, WMU or Baptist Men's groups, etc.

The Revitalizing Existing Churches Taskforce has also provided helps for pastors, small groups, and congregations in spiritual leadership. See the North Central website to overview and print specific tools that are appropriate to your setting. Some of these helps will also be mailed directly to each pastor. Mike Currin, Littleton, Cullom Association is facilitator of this group.

In addition to each individual taskforce group ministry, as already mentioned the region now has a presence on the World Wide Web. Go to northcentralnc.org for more info about helps provided by each of these ministry groups.

If you would like to join in the visioning, planning, and/or implementing of projects or ministries for the North Central region, please contact either your Associational Missionary or Wendy Minton Edwards (1-877-459-1766).

Thanks for all you do to further the Kingdom in your place and around the world.

NORTH CAROLINA BAPTIST HOSPITAL

Since 1923, when the first patient was admitted to Baptist Hospital, our mission has been to extend the healing ministry of Christ. We are strongly committed to excellence in caring for our patients. Every day for every patient, we seek to combine the latest science of modern medicine with the art of human compassion in the name of Christ's love. Our mission, consistent with our Baptist heritage, is a sacred privilege: *"to provide and advance excellent healthcare, embracing the healing presence of God."*

We continue to be ranked among the top 50 hospitals in America by US. News and World Report. Our Comprehensive Cancer Center is ranked among the top centers in the nation for cancer care. Our Heart Center is designated a Cardiac Center of Excellence by Blue Cross Blue Shield of N.C. Our neurosurgeons are among the nation's leaders in developing treatments for diseases affecting the brain and spine. Our Neonatal and Pediatric Intensive Care Units provide the highest level of specialized care. We are in the top 2 percent in patient satisfaction among our peers in the United States.

To make an appointment for yourself or a family member with a physician, or to receive information on health related issues, please contact HEALTH ON-CALL at 800-446-2255 or 336-716-2255.

We are privileged to be partners in ministry with North Carolina Baptists. Through the support of cooperative giving, we are able to provide compassionate and life-changing ministry to thousands of hurting people every year. We are grateful to be on mission for N.C. Baptists, fulfilling our purpose—"*to provide ministries of growth, hope and healing in the Spirit of Christ.*" All of our ministries find their focus and heart in this mission.

Baptist Hospital's CareNet Counseling Centers extend the mission of churches through pastoral counseling ministries to people whose lives have been shattered by emotional pain. 25,000 client visits will be made in 2006, with ministers being the largest referral source. Our statewide network of 20 CareNet centers across NC is among the largest in the nation. Thanks to NC Baptists, no one is turned away for lack of resources. *:We could never say thank you enough to CareNet for helping our daughter find healing from the darkness of depression."* – NC Baptist pastor.

The Center for Congregational Health is strengthening the ministry of churches through highly skilled, Christ-centered consultation services and leadership development programs. Consultants help nearly 25 churches per month with strategic planning, team development and reconciliation ministries.

NORTH CAROLINA MISSIONS REPORT

September 10-17, 2006 was dedicated to recognize the North Carolina Volunteers. Those volunteers were supported by the offerings and prayers received by caring NC Baptist Christians. Thousands of faithful Christian volunteers have been trained t work in many kinds of missions.

The theme for our NC Mission Offering and Week of Prayer echoes why they (you) give and pray: "BECAUSE YOU CARE." It reminds us of our motivation to help others in Jesus' name. WE help those in need and also share Jesus Christ with a world that is in spiritual need.

There are 1,153,018 members in North Carolina Baptist churches. Many help by volunteering to go, others by their offering, and others by their prayers. None is any more important than the others. It takes all (with the right motive and God's leadership) for each member to reach his/her goal for the SUPPORT OF NC MISSION OFFERING AND THE WEEK OF PRAYER. The goal for NC Mission Offering is $2.5 million. Your support is needed.

BAPTIST STATE CONVENTION

Executive leadership in the Baptist State Convention of North Carolina changed April 11, 2006 when Milton A. Hollifield, Jr. was elected executive director-treasurer.

Hollifield declared that he intends to lead North Carolina Baptists "to become the strongest force in the history of this Convention for reaching people with the message of the Gospel." BSC leadership rejoiced over many areas of progress that indicate God's blessing on the work. 103 new churches were started in 2005, thousands of volunteers participated in a national Crossover event in the Piedmont, continued strong support for Cooperative Program Missions Giving, a growing awareness of Pursuing Vital Ministry and coaching ministry, campus ministries growing in strength, powerful student weeks at Fort Caswell, and disaster relief efforts in Gulfport with Baptist Men. The Convention is increasing emphasis on multi-cultural ministries – reaching people from the many and varied cultures present in North Carolina. Of the 103 churches started last year, 39 are Anglo. The rest are a variety including Hispanic, cowboy, and several Asian languages.

On Mission Celebrations is the new name for World Mission Conferences. These mission awareness events provide missionary speakers form the association, state convention, North American Mission Board and the International Mission Board.

The importance of the insurance and health benefits provided to participating church staff members was never more dramatically demonstrated than during one week this year when two young pastors died. One was covered and his widow and children received an immediate death benefit of $50,000. The other was not a participant in the plan and his family faces a much more difficult struggle. Are your pastor and staff participating in the church annuity programs that protect their families and the church in the event of death or illness? We cooperate with GuideStone to provide financial assistance to retired ministers and widows of ministers who are living in poverty.

The evangelism Tent Ministry tent will seat up to 1,500 people. It stays booked from March to November and is used for revivals, community outreaches, block parties, VBS and other evangelistic community events. Please reserve the tent six to 12 months before your event.

HIGHLIGHTS OF WMU ANNUAL MEETINGS

The 97th Annual Session was held Saturday, March 25, 2006, from 9:00 am to Noon, at Providence Baptist Church. Wanda Temple, FRBA WMU Director, presided. The theme of this meeting was "Christ Followers", this being a two-year theme in accordance with the SBC WMU theme. The host pastor, Dr. Randy Pittman, welcomed the group, spoke on what WMU has meant to him throughout his life and appreciated all that had been done and was being done through WMU,

and led in prayer. Vickie Boyd, WMU Director at Providence, made announcements. Special music for the meeting was by "The Heavenly Heroes," the children's choir from Providence, directed by Miss Tamara Wheeler and Judy Huff. Members of the choir were: Miranda Goss, Morgan Ayscue, Jessie Shelton, Katie Adcock, Melissa Adcock, and Nicole Adcock. There were 79 registered from 19 FRBA churches plus four visitors making a total of 83 attending.

Mrs. Becky Currin, presented a plaque to the Association as a memorial to Mrs. Virginia Tuck, FRBA CCM Director from November 1, 1988 until her death on September 24, 2005. This plaque will be placed in the office of the Flat River Baptist Association. Mrs. Currin was employed as the FRBA CCM Director in October 2005.

Mrs. Sandy Harrison led the Prayer Retreat using the theme "Listen: What Is He Saying?" which was very interesting and inspiring. Sandy is the CCM Director for South Yadkin Baptist Association where her husband is associational missionary.

ISLAND CREEK BAPTIST CHURCH

On November 27, 1820, twenty-four members of Grassy Creek Baptist Church withdrew their membership and joined others to organize Island Creek Church. Elders and members who officiated on this historic occasion were Zachariah Allen, James Weathers and Pleasant Gold. The names of the first members were Jessie Mary, Phoebe, Ann, Frances and Sarah Barnett, Nancy Finch, Martha and Sterling Fowler, James Gresham, Sarah, Nancy, Norman and Mary Norwood, Martha O'Bryant, Susan and William Royster, Susan B. Stephens, Sarah Smith, John and Elizabeth Williams, William Worrell, and Mary Wright. These members, along with 21 slaves, formed the presbytery and joined with the Flat River Association in 1821. It is reported that prior to the church being constituted, it enjoyed four ministers, Thomas Vass, Robert T. Daniel, Elisha Battle and Thomas Mason. The original church met in a small one-room building near Bullock, North Carolina. William B. Worrell became the first pastor and served five years. Two deacons, Thomas Williams and Jesse Barnett were elected. The first church clerk was Joseph Barnett. The church progressed and William Hill Jordan was called to serve as pastor from 1826 to 1833. William Burns served from 1833 to 1836 and Thomas King from 1836 – 1839. In 1839 a committee was charged with locating a site near Williamsboro for a larger building. That same year a one-room structure was built on the ground of our present cemetery. In 1857 membership was 216. The church entertained its first annual association meeting in 1823. In 1910, a committee was once again appointed to build a new church. The new building was constructed in 1911. C. L. Tucker was the contractor. The new building was moved to the front of the cemetery and could seat 500. It had stained glass windows and five Sunday School rooms. The building was officially dedicated in 1915 and remained in use until 1950, after 39 years of service and 9 pastors. Membership increased t 432 in 1921.

In 1941-42 the church members decided to build new Sunday School rooms. Construction was not immediately begun due to the outbreak of World War II. War Bonds were bought to raise money for the building. By 1944, $5,280.38 was in the treasury. World War II ended and Rev. Marshall Walker resigned and the Rev. Shelly Caudle was called. Under the leadership of the new pastor, the church decided to build a new church building. Land for the new building was donated, and timber cut and hauled to the mill by the men of the church. Mr. Willie Allen of Henderson was hired to oversee the construction. Services were held on October 22, 1950 in the new $125,000 building with Pastor Caudle leading. This building provides 18 rooms for teaching and training, pastor's study, office, library, sanctuary to seat 600, and a large basement. It was debt free by the end of 1952. The church voted to build a parsonage on the church property. The parsonage was dedicated September 2, 1954. It was valued at $25,000. Rev. Jack Coffey was the first occupant. The church voted on May 27, 1984 to build a fellowship hall under the leadership of Rev. Lyman Wilson. It was dedicated on May 4, 1986. A 22x48 picnic shelter was built in 1992. The church started a ministry at the Nutbush Recreation Area in 1958. In 1989, it was named the C.H. Hammitt Guerrant Chapel.

A church member, John Marshall Neathery was licensed to preach in 1963 and was ordained in 1967. Rev. Neathery became the pastor of Island Creek on March 1, 2005.

NEW HORIZONS BAPTIST CHURCH

Sunday, September 22, 2002 proved to be a beautiful day, both on the outside and the inside! On this sunny early autumn day, 55 Christian believers met at West Oxford Elementary School for the first official time as New Horizons Baptist Church.

New Horizons was founded upon five core values, each of which is thoroughly based on the Holy Scriptures. These values are: (1) Simplicity; (2) Humility; (3) Love; (4) No Politics; and (5) Kind Words.

We have seen God work in awesome ways since the foundation of this church. One glaring example is the fact that we have never had (and hope we never will have) a nominating committee. The reason for this is simply because we do not need one. Every single time that a need has been identified in this church, a person (or sometimes persons) will step forward and let us know that they feel especially led by God to fill that role!

And while we are mentioning committees, the fact of the matter is that New Horizons does not have any committees at all. WE do have various groups doing the work of the Kingdom, but it is our preference to refer to these groups as "teams" than as "committees."

Since that aforementioned Sunday in September of 2002, we have witnessed 32 baptisms! Not having a facility of our own, we have relied upon the generosity of fellow associational churches (namely Tabbs Creek and Delrayno) for the use of their baptisteries. We will always be grateful for their kindness.

In fact, we are grateful for the kindness of ALL the churches of the Flat River Association for your support and encouragement. It was indeed an honor to be unanimously voted into the association at the 2003 annual meeting!

May God continue to keep His loving hand upon us all, as we unite under the banner of the glorious Cross!

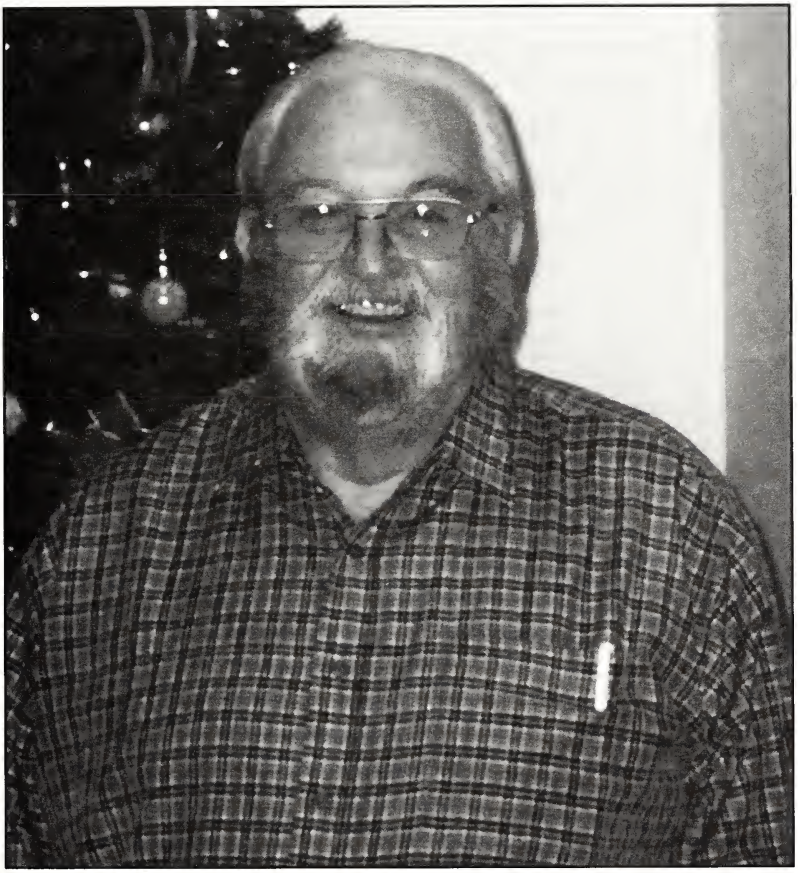
DEDICATION

2007 Annual Dedication



Not often does an individual earn the honor of having the annual dedicated to him or her twice; but, Pello Duncan, a member at West Oxford Baptist Church, has distinguished himself accordingly. His dedication to the FRBA Belarussian Children's Ministry has been accomplished with great personal sacrifice. His journeys to Belarus at his own expense have not gone unnoticed. When asked "Why?" Pello's only reply is, "For the Children." God bless and God speed, friend.

BROTHERHOOD

The Brotherhood sponsored several events during the year. The RA Race Day was held at Oxford Baptist Church on March 24. There were many teams that traveled to Gulfport, Mississippi to clean up from hurricane Katrina. A FRBA Golf Tournament was held on May 11 at the South Granville Country Club with funds of over $1,700.00 going toward the FRBA Building Fund. Due to work related commitments I resigned as Brotherhood Director and Mr. Joe Seagroves took the position.

WOMEN'S MISSIONARY UNION

The 2006 Flat River Baptist Woman Missionary Union began its new year with a new emphasis "Live the Call." WE started our year off with the WMU Leadership conference at Delrayno Baptist Church with 76 leaders representing 22 churches. Our new emphasis Live the Call is challenging us to Jesus' call in our daily lives, to a life of faith,

commitment and service. WMU continues to encourage our churches to support the North Carolina Mission Offering in September. This offering supports the Work of NC WMU, NC Baptist Men, church planting, mission education, lay renewal and language ministries in our state. WE continue to do missions by observing World Hunger, Baptist Women's Day of Prayer and we also supported the Baptist Children's Home. Many of our churches observed the Week of Prayer for International Missions and supported the Lottie Moon Christmas Offering. Some of our WMU leadership team members had the opportunity to speak in our churches and share the work of WMU during the Week of Prayer and WMU Focus emphasis in February.

Our annual Baptist Men and Women's Banquet was held at Pleasant Grove Baptist Church on January 26, 2007. It was an evening of fun, food and fellowship. Rev. Norman Jamison was our guest speaker with music provided by Clifton Preddy. Our 98th WMU Spring meeting was held at Mount Olivet Baptist Church on March 24, 2007. Rev. Carl Hunter gave us a big welcome. Our special guest was Christian writer and author Catherine Painter. Trinity performed special music.

The Spring of 2007 was busy with the Acteen/Youth on Mission Rally held at Enon Baptist Church on March 3, with 175 youth, youth leaders and parents in attendance. The GA/Children in Action Day Camp had a fun day on March 9 at Poplar Creek Baptist Church with 68 children and 15 leaders in attendance. Corinth Baptist Church hosted the Mission Friends Day Camp with 29 children in attendance.

All of our mission events involve some type of mission action projects. Whether it was collecting food for ACIM, paper products for the Baptist Children Home or sending notes of encouragement to our service men and women overseas, WMU was their with their support. Many thanks to all of you who have supported us with your prayers, time and encouragement as we strive to Serve our Lord.

-Mrs. Betty Jean Cash

BELARUSSIAN CHILDREN'S MINISTRY

Our group was much smaller this year with only seven children and one chaperone. The reason for the smaller group was the lack of host families. If you want to bless the life of a child and be blessed at the same time, be a host family. They arrived June 11, 2007 and departed July 22, 2007. All of them are very appreciative to be able to visit the U. S. and that is possible due to your giving-thank you very much. (The transportation costs have rapidly increased.) This six-week visit is very beneficial for their health and emotions to know that someone cares. Thank you host families, financial supporters and prayer supporters.

-Mr. Pello Duncan

FRBA BLOOD DRIVE

FRBA sponsored two blood drives during the last year. One was in June and the other in December. Both drives were held at West Oxford Baptist Church. The next blood drive is scheduled for December 14, 2007 from 1:00 to 5:30 PM at the same place. Please gibe the "Gift of Life."

-Mr. Pello Duncan

TIME, PLACE AND PREACHER

The 215th annual session of the Flat River Baptist Association, Inc. is scheduled to meet on Monday, September 15, 2008 with Brassfield Baptist Church. Rev. B. Patrick Cox is scheduled to bring the annual sermon.

-Mrs. Betty Jean Cash

BUDGET PROMOTION

The Flat River Baptist Association, Inc. is supported by the prayers and financial support of the member churches. At the present time the association is debt free. We ask that the churches will continue to support the association so that our mission endeavors will accomplish even greater works in the future. We hope that each church will consider giving at least 4% of their undesignated receipts, if they are not presently doing so.

Each messenger should have received a copy of the proposed 2007-2008 budget in your handout when you registered. Except for small raises for our staff and an increase in insurance, the budget is basically the same as last year. The total increase in budget is $6,296.00 and is a 4% increase. The 2006-2007 Budget Committee was Mr. David Ford, Chm, Mr. Dave Williams, Mr. Tommy Winston, Mrs. Susan Whitt, Mr. Robert Montague, Mr. Ronald Bennett and Dr. Fred Knott, ex-officio.

CHURCH AND COMMUNITY MINISTRIES

"Then the righteous will answer him, "Lord, when did we see you hungry and feed you or thirsty and give you something to drink?"

Last week I received a phone call from a gentleman who told me of a lady who worked in the cafeteria at Murdoch with two children and there was no food in her house. Was there anything that CCM could do for her? He gave me a contact number for this lady. I gave her a call and made arrangements to meet her at the CCM building after her shift was over. Before she got there, I went to one of the area grocery stores and

purchased a gift card for her so that she could feed her family until her next paycheck. This is one example of how God is using financial donations to CCM to meet needs right here in our community.

"Lord, when did we see you in need of clothes and clothe you?"

CCM has blessed numerous families and individuals with clothing, household goods and furniture, items that the good folks of the FRBA and the surrounding communities donated to CCM. These were families who lost their homes to fire, families who were starting over due to unfortunate circumstances such as domestic abuse, and families who moved into the area with little more than the clothes on their backs. CCM also helped several senior adults who were moving into the senior apartments at Webb Place with furniture and household goods.

Thank you for your donations of clothing, household goods, furniture, and for your financial support. It is through these types of donations that CCM is able to help those in need of a helping hand.

"Lord, when did we see you sick or in prison and go visit you?"

The residents of Murdoch and John Umstead are imprisoned by bodies that are physically and/or mentally sick. Operation Santa Claus is one way that we can reach out to these people in Christ's name. I still have a few names available for adoption. Gift buying is simple as each name comes with a wish list. Please purchase only the items listed, no substitutions, and gibe only new items. Do not wrap.

Also, the residents of Murdoch could use a helping hand getting to and from Chapel on Sunday mornings. It is as simple as pushing a wheelchair or walking along beside them. Willis Herman, chaplain, will be glad to match you with a resident.

DAMASCUS HOME

It is altogether fitting that I should be writing this report on the very week of Thanksgiving. There is much to be thankful for in the way of Damascus Home ministry. In fact, I just go off the phone with a great church member and supporter, who informed me of his employer's desire to provide the men with a Thanksgiving meal, with all the trimmings. More and more this sort of call has become the rule, and not the exception.

Last night, as I viewed a new and more modern kitchen faucet, paid for by your donations and installed by the men themselves, I noticed the countertop needed updating as well. God immediately placed in my mind the man in our association who no only can do the work, I have no doubt that he will; all I need to do is pick up the phone. It has been this way since I began as director just a few short years ago. From the moment you enter the house, you immediately start to notice improvements and touches; Flat River fingerprints that have been left all over the premises. Flooring throughout the front entranceway and dining area, was both donated and installed by Creedmoor First and Fellowship members.

Extensive cabinetry work in the kitchen and back bath was done by one the former residents, who, with the help of our present house manager, installed the living room flooring, also donated by a friend of a Creedmoor First member's son. Curtains throughout the house, as well as comforters for all the beds, were donated and installed by members from Delrayno. As part of their ministry, Amis Chapel, Concord, and Creedmoor First, have continued their faithfulness to the Tuesday night Bible study, bringing meals and staying for the Word and fellowship after. Twice this year, both Olive Grove and Bullock have provided pillows and sheet sets, respectively. Another car was added to our fleet this year, after a member let her co-worker know of our need. One of the men was even blessed with free medical treatment and dentures this year!

Employment continues to be an issue for the men, but God is faithful, as are several key businesses in our association: Bob's Bar B Q, and a landscaper at Pleasant Grove, just to name a few; as well as Creedmoor First member, who used his position at a Butner manufacturing firm to secure work for several of the men this year. A Tally Ho deacon, employed at ESC, continues to treat the men with respect when they come his way seeking help with openings and applications. Another Creedmoor First member ahs gone out of his way to personally help several men this year; at times, creating work for them to do. And members at Pleasant Grove opened their payroll and hearts to one of the men. Finally, Tatum-Edwards continues to provide godly financial oversight. I continue to be amazed by the commitment and support Damascus Home enjoys from its board members. In my tenure, Fred Kughn, and Steve Hall before him, set a pattern that fellow and future members can follow, insuring the ministry will continue. David Richardson, as John Greene did before him, has demonstrated integrity as treasurer for the ministry.

I began last year's report with a sad note a note about the death of one of our former residents. I'll close this year's report heralding the good news of a recent graduate, who went back home to his wife and family, and continues to do well. Since our last annual meeting, fourteen men have entered the home. Sadly, only four of those men graduated. While another four of those fourteen are still in the home, seeking to finish out their commitment, seven of the men invited to come and grow their relationship with Christ were not able to cross the finish line. The saddest reality is how much Damascus Home mirrors our member churches. The roles fill up too easily, while the commitment is either low or nonexistent to start with. Pray for all of these men, as I do, and that the coming year will find each of us faithfully executing the plan God has for the home.

INTERNATIONAL MISSIONS

The International Mission Board is an entity of the Southern Baptist Convention. The board's main objective is presenting the Gospel of Jesus Christ in order to lead individuals to saving faith in Him and result in church-planting movements among all the peoples of the world. Almost 5,000 people groups – 1.6 billion people – still live with little or no access to the Gospel. Thousands of missionaries around the world have borne faithful witness to our Lord.

There are four couples that are Flat River Baptist Association related which are currently serving on the International Missions field. George and Faye Cannady are serving in Botswana, Africa. They will be home in North Carolina from mid-November to January 2008. They are members of Pleasant Grove Baptist Church. Ron and Margie Carothers are serving in Guatemala. They are former members of Oxford Baptist Church where Ron served as a church staff member. Fletcher and Ruby Dickerson are serving in Ecuador. Currently they are on furlough. Fletcher grew up in the Dickerson Community and Tabbs Creek Baptist Church. They now call Macon Baptist Church in Vance County home. Danny and Debbie Evans are serving in the Pacific Rim (Cambodia), and are members of West Oxford Baptist Church.

We as members of the Flat River Baptist Association are each called upon to pray for our international missionaries as they serve in cultures that are different from their homeland and pray for an abundance of God's love and protection to surround them. Pray that the work of the missionaries may grow and that they may have eyes to see the needs around them.

WE also need to continue our commitment of financial support. The Lottie Moon Christmas Offering is collected each year to give additional support to our missionaries.

-Jannie H. Preddy

CHRISTIAN EDUCATION

As is true in many areas of North Carolina Baptist life, there is a need for fervent and focused prayer for our traditional Baptist colleges and universities: Mars Hill, Gardner-Webb, Wingate, Campbell land Chowan. As a result of the ongoing issues related to the desire of various entities who have had long term relationships with Baptist State Convention for greater autonomy and control of their internal decision making, especially in regards to staffing and leadership, a major change may be in the making in how and if such formerly productive relationships continue. Over the past year, the Council on Christian Higher Education of the BSCNC has been studying the issue of a new relationship between the Convention and the five schools, with particular attention being given to matters of governance and finance. One of the major outcomes of this study may well be a significant change in the

Convention funding given to these schools. Many students, including this writer, have been provided an invaluable educational opportunity through the generous financial support of Baptist congregations throughout our state channeled through the BSCNC in the form of scholarships and other unrestricted funds. Students have been well prepared to assume their roles in society as well as in local churches as leaders because of their learning experiences based on Christian values. These schools have grown to be not only nationally recognized private universities but also a valuable resource for North Carolina Baptists. Reduction in funding may well put in jeopardy the ability of young men and women from around our state and indeed around the world, to receive such an education. Pray that the leadership of both the schools and our Convention will be truly led by God to make those decisions which have the best interest of the students at the heart of any action rather than issues of control, authority and power.

BAPTIST RETIREMENT HOMES

At Baptist Retirement Homes not only are physical needs met but spiritual needs as well. At our homes in Asheville, Winston-Salem, Concord, Albemarle and Hamilton our Baptist chaplains serve as faithful reminders that "God is our refuge and strength." In addition to regular worship services and Bible studies personal visits with the chaplains enrich the lives of the residents.

Baptist Retirement Homes is now serving more than 700 Older Adults in our five locations across North Carolina. They provide a full range of services to residents including independent living, assisted living and nursing care as well as specialized programming for those with dementia-related disorders such as Alzheimer's Disease. The Homes are a leader in giving care to Older Adults who lack sufficient financial resources to pay the full cost of the care they need and deserve. Sixty percent of the nursing care residents receive financial assistance and thirty-five percent of assisted living care residents receive assistance. This care is made possible by gifts from our Baptist churches. In 2006, funds from North Carolina Baptists totaled approximately $1.4 million.

The commitment of the Retirement Homes is to bring the highest level of care to as many Older Adults as they possibly can—both those with financial resources and those who need financial assistance. WE are counting on our Baptist churches to "...not forget to do good and to share with others, for with sacrifice God is pleased." Hebrews 13:16

ANNUITY

The GuideStone Team has been extremely busy during this past year to ensure prompt and accurate delivery of information related to retirement, insurance, staff compensation, tax issues, etc. that impact dramatically the care of persons who serve on church staff here in North Carolina. We celebrated the retirement of Amy Strickland as Administrative Specialist on our team and welcomed Betty Pleasant to that ministry position after a number of years in the convention's administrative office. We are very grateful for the ministry of these ladies in assisting church staff and key church leaders.

On January 2, 2007, GuideStone Financial Resources, an agency of the Southern Baptist Convention headquartered in Dallas, Texas, introduced a new family of funds, My Destination Funds, which are date targeted to a retirement participant's projected retirement date at some point in the future. For those participants who choose to invest using these funds the hassle of keeping up with an appropriate asset allocation as the participant grows older is now removed. These funds are professionally managed and the asset allocation is adjusted automatically as the participant ages. This is a "great and wondrous" development since many church staff are focused primarily on ministry to people rather

than managing their retirement account. Furthermore, the retirement funds at GuideStone exceeded their respective mutual fund peer universe median as measured by Lipper rankings during this past year.

The successful transition to a single provider for medical insurance for the GuideStone medical plans reaped great rewards as 57% of Personal Plan participants received no rate increase or a reduction in premiums. This is a "great and wonderful" thing for those who are covered with GuideStone medical insurance. Life and disability coverage continues to be tweaked to meet the needs of our church employees. Beginning with the 2007 fall semester all students enrolled at one of the Southern Baptist seminaries (we have Southeastern Seminary in North Carolina) will be covered with $10,000 of life insurance at no cost to the student and 31 days of open enrollment from matriculation for new students continues to be very attractive.

The Church Retirement Plan is a major emphasis of the GuideStone team. We are working hard to educate church staff and key church leaders to the best retirement plan on the market today for employees of our Baptist churches. On April 1 of this year annual church budget eligibility requirements for the Mission/Church Assistance Fund were dramatically adjusted from the previous requirement of less than $40,000 per year to less than $75,000 per year. Many of our church pastors will now qualify to receive $50 per month for a five-year period, but they must be active participants in the church retirement plan to receive this "great and wonderful" benefit.

Finally, we gladly promote the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of March 31, we had 204 North Carolinians, who have met the very strict guidelines and are receiving financial assistance from GuideStone Financial Resources. Please assist us in identifying those persons who might qualify for this assistance.

In closing, it is our strong desire to serve all of churches and their employees with the appropriate information/products to meet their needs. For more information call the Baptist State Convention of NC at 1-800-395-5102 ext. 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1-888-984-8433, or visit the new and redesigned GuideStone Web site at www.GuideStone.org.

Flat River Association participates in the Adopt an Annuity Program. This makes it possible for a retired minister who was never covered by our retirement program to receive extra income when below the monthly level. As your GuideStone representative I am encouraging our churches to observe Adopt Annuitant Sunday, June 22, 2008 and include this item in your budget.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptist of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2006, the Foundation assisted individuals in establishing 49 endowment funds and 8 charitable remainder trusts totaling $2.6 million and received $6.5 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $2.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $11.7 million in contributions during 2006 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2006, the Foundation held $153.1 million under management.

During 2006, our distributions totaled $8.4 million, with charity receiving $5.9 million and individuals, through trusts, receiving $2.5 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., $31.6 million has been distributed to individuals and $59.2 million to Baptist churches, institutions and mission causes for a grand historical total of $90.8 million.

BAPTIST CHILDREN'S HOMES

***Oak Ranch added to ministry...*Baptist Children's Homes (BCH) entered into a relationship with Oak Ranch, a residential program for at-risk boys, to manage the facility. Located on the Lee-Harnett County line near Broadway, Oak Ranch features two existing cottages, administrative buildings and an eight-horse equine therapy component.**

"This is a historic event," said BCH President Michael C. Blackwell. "Baptist Children's Homes and Oak Ranch share a vision to provide hope and healing to children. This is a natural merger, and we look into the future with great hope and tremendous expectations."

Plans are in place to accept boys into care at Oak Ranch beginning in October, 2007, but the property and Oak Ranch's distinctive equine therapy program are already being utilized by BCH residents and staff members from the institution's statewide locations.

New Program Helps Children With Intensive Challenges...BCH's new Level III program outreaches to children who are struggling to overcome a greater degree of emotional and behavioral issues. The service is designed to provide a highly structured and supervised residential environment that is responsive to the need for intensive, active therapeutic treatment and interventions.

Currently, BCH offers Level III childcare services at Kennedy Home in Kinston and Moody Home in Franklin.

Developmental Disabilities Ministry Continues To Grow...On August 27, 2006, members of the Three Forks association, BCH staff and other supporters gathered for the dedication ceremony of two Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Zionville.

The Three Forks Home is named in honor of the association for gifting the original Camp Joy property for the new homes. Lindsay Home is named in memory of Winifred B. Lindsay who donated a lead gift of $400,000. Churches, businesses, organizations and other community friends helped raise funds to build the homes. The new DDM homes are a part of Joy Cove Ministries serving families in Watauga County and the surrounding community.

BCH held a groundbreaking ceremony on September 10, 2006 to celebrate the expansion of its Developmental Disabilities Ministry to Sanford. BCH recently began building the two group homes to serve special needs adults in the Lee County area.

The Sanford based ministry has been tapped Willett Ministries. Jane Willett-Cromer, a resident of Gulf and mother of a developmentally disabled adult, gave three and a half acres of land for the Sanford-based homes to BCH in the memory of her husband Howard.

BCH and Cross Road Retirement Community in Asheboro hosted a "Laying the Foundation" ceremony on October 14, 2006. The ceremony celebrated the construction of BCH's new DDM group home. The group home is located on the Cross Road Retirement Community campus, which is owned by Cross Road Baptist Church. It will be called "The Asheboro Home," and dedication ceremonies are scheduled for August 26, 2007.

The 3,000 square-foot facility offers a residence for six developmentally disabled adult women and will serve families in Randolph County and the surrounding community. The home was built in cooperation with the U. S. Department of Housing and Urban Development (HUD). BCH will operate the home, providing the services and the staff.

Baptist Touch BCH Through Technology...Children in BCH's care greeted Messengers at the 2006 annual session of the Baptist State Convention at the Greensboro Coliseum through the power of technology. Using a web camera link, five children at Mills Home in Thomasville carried on live, real-time conversations with convention attendees and thanked them for their love and support. Mills Home children answered questions and gave "high fives" to Messengers who viewed them on a large, flat panel display screen.

New Website Introduced...BCH also introduced the redesigned BCH Family (www.bchfamily.org) website during the November convention. The new website offers streamlined navigation making it easy to find information about BCH's Statewide services and a variety of ways to support ministry. New features include online journals and photo galleries from the ministries locations around the state.

Charity & Children Marks 120 Years...*Charity & Children (C&C)* marked its 120th anniversary in 2007. Throughout its history, it has been a strong voice speaking for Baptist Children's Homes conveying news, information, and children's success stories. The free publication is mailed to as many as 62,000 subscribers a month, with estimated readership in excess of 170,000 per issue.

Seven year *C&C* editor Jim Edminson introduced a new look for the paper in January utilizing concisely written stories, the use of vivid, large photos, ample white space, and contemporary artwork to make the publication more approachable to readers.

The BCH news publication is produced each month by its publisher and BCH president Michael C. Blackwell, Edminson, and Blake Ragsdale who were named Managing Editor in late 2006.

BCH Named One Of Triad's "Best Places To Work"...BCH was a finalist in the *Triad Business Journal's* annual "Best Places to Work" competition. The institution finished in the elite four of the "charitable nonprofits" category. BCH president Michael C. Blackwell, accompanied by members of his President's Management Group, accepted the award at a ceremony in High Point.

BCH's state administration offices, Mills Home residential campus and Weekday Education facilities in Thomasville, and group homes for developmentally disabled adults in Winston-Salem comprise BCH's Triad area services.

How d owe meet the spiritual needs of the people that are constantly re-focused and re-shaped? Vision San Diego is part of the North American Mission Board's Strategic Focus Cities initiative to reach urban areas through focused church planting and evangelism. They need churches that are interested in helping the work there.

Students across the nation took advantage of their freedom of speech and assembly September 26 to gather around flagpoles to pray, share testimonies and worship God with songs.

The North American Mission Board (NAMB) is the domestic mission agency of the SBC. 5,364 missionaries are serving throughout the US, Canada, and their territories.

There are so many ways to serve God on the mission field in our United States. There are Career Missionaries, Limited Term Missionaries, Mission Service Corp, Sojourners for juniors and seniors in high school, Summer and Semester Missionaries for college students and Inovator Missionaries for college students serving with a team of other students in resort areas etc. There is missionary work that needs to be done here in our own town. NORTH CENTRAL REGION

The North Central Region (Cullom, Flat River, North Roanoke, and Tar River Associations in partnership with the Baptist State Convention) has been busy seeking ways to serve congregations within the context of leadership, missions involvement, and revitalizing churches. Each of the three acting taskforce groups has made significant progress in several key areas.

The Missions Involvement Group has continued to refine and provide for the usage of the regional Block Party Trailer. A cover for the cotton candy machine, a book of parachute games, and a first-aid kit were added to the trailer this year. The trailer was also equipped with dollies for moving the large inflatables and tie-down cords for securing each piece of equipment. A notebook of guidelines and agreements were developed for use with the trailer. Congregations using the trailer are asked to be considerate and thoroughly familiarize themselves with the contents of the notebook in order to follow proper usage and cleaning of all the equipment. Numerous repairs have had to be made on the equipment because of improper usage and/or cleaning procedures. The NC State Department of Labor ahs passed a number of guidelines for usage of inflatables in a public setting. Therefore, participating congregations are asked to follow the information in the notebook in order to comply with state laws. A DVD will be produced by next season demonstrating correct set-up, dismantling, and pack-up procedures to assist the user congregations. The Missions Involvement Taskforce is grateful for the sixty different congregations who used the trailer this year in ministry within their respective communities and for their estimated ministry to 12,000 people. Many prospects have been discovered and numerous decisions have been recorded following the enjoyment of the trailer and contents.

The Missions Involvement Taskforce encourages all congregations to participate in Operation Inasmuch this year on October 27 or another date of your choice. A packet was mailed to all the congregations providing helps for planning and implementing Operation Inasmuch. But it is very easy t do, simply look for the needs of unchurched people in your community and then meet them because Jesus told us to serve others. Let's set a goal of becoming Operation Inasmuch people all year long, not just on October 27. The taskforce still has Operation Inasmuch sport fliers (small Frisbees) available with *Operation Inasmuch, Matt. 25:40* printed on them. These provide a great inexpensive give-away for churches t use in their Operation Inasmuch efforts or any other ministry during the year. Contact the Tar River Association to order fliers for your use.

Laura Davis, Wise BC, Cullom Association is facilitator of this group.

The Leadership Development Taskforce is in the process of developing a DVD Leadership Library. A subscription has been purchased for all the DVD's provided within the Leadership Library of the Church

Communication Network. This organization produces DVDs of seminars, conferences and presentations of some of the most respected voices today in various areas of leadership. These DVD's are available for checkout by congregations and/or congregational leaders. A listing of available DVD's is on the North Central website.

The Leadership Development Taskforce has also taken the lead in setting up and making available a regional website which can be found at www.northcentralnc.org. This site features helps from all three taskforce areas.

This taskforce is currently in the midst of several other projects that will prove extremely beneficial for member congregations.

Chris Carroll, Castalia BC, Tar River Association, is facilitator of this group.

The Revitalizing Existing Churches Taskforce produced a DVD this year entitled *Transformed by God' Spirit.* The DVD features individuals from two congregations that have experienced some level of spiritual renewal. The individuals briefly share of what God ahs been doing within them and their church. A copy of the DVD was sent to pastors and congregational leaders within all congregations. They are being sold outside of the North Central Region for $5.00 each.

The Revitalizing Existing Churches taskforce has developed a process of congregational renewal that is available to any congregation desiring spiritual renewal. The process includes a look at biblical personal spiritual renewal and present-day congregational spiritual renewal. Assessments are included within both the personal land congregational renewal steps. See any of the taskforce members to learn more about this process.

Other helps for congregational spiritual revitalization are available on the regional website.

Mike Currin, Littleton BC, Cullom Association, is facilitator of this group.

The North Central Region invites your questions, comments, and/or suggestions. WE continue to seek ways to nurture spiritual growth and renewal, leadership, and missions and ministry within North Central NC. If you would like to participate in these great efforts, please contact your Associational Missionary or Wendy Minton Edwards (1-877-459-1766).

May God bless you and keep you as you strive to be His Kingdom people! -Wendy Minton Edwards

THE MOTHER'S DAY OFFERING: CARE IN THE NAME OF CHRIST'S LOVE

Thanks to the Christ-centered compassion of North Carolina Baptists, the Mother's Day Offering received $708,600 in 2006, exceeding the generosity of any previous year. Every dollar of every gift helps patients in serious financial need pay hospital bills for care received at Baptist. Having too much to qualify for government assistance, but not enough to pay bills they are responsible for, they feel the hand of God lifting their burdens.

"I thank North Carolina Baptist with all my heart for helping families like mine in times of need. We were so worried about my hospital bill and struggling under the burden. We are extremely relieved and grateful. I have said many prayers of thanks to God for helping us."

"We are very, very thankful for the Mother's Day Offering. WE were so frightened by all the medical bills we did not know how to pay. This gift was a miracle from God and made the biggest difference in our lives."

"We are so relieved and grateful for the minister's subsidy at Baptist Hospital." - NC Baptist pastor

The minister's subsidy covers up to 25% of the hospital bills of ministers (and their dependents) serving NC Baptist churches for care received at Baptist Hospital. $76,785 was provided in 2006, made possible by the Hospital's W.K. McGee Patient Service Fund and the Mother's Day Offering.

Every day at Baptist Hospital our founding mission of healing is being advanced, from the expertise of modern medicine and technology to the grace of compassion and simple kindness. We are committed to being one of the best hospitals in the nation. We are humbled to see God's

healing mercy at work through the care we seek to provide. On behalf of the staff, thank you for being partners with us in this sacred mission of hope.

NORTH CAROLINA MISSIONS REPORT

September 10-17, 2006 was dedicated to recognize the North Carolina Volunteers. Those volunteers were supported by the offerings and prayers received by caring NC Baptist Christians. Thousands of faithful Christian volunteers have been trained to work in many kinds of missions.

The theme for our NC Mission Offering and Week of Prayer echoes why they (you) give and pray: "BECAUSE YOU CARE." It reminds us of our motivation to help others in Jesus' name. We help those in need and also share Jesus Christ with a world that is in spiritual need.

There are 1,153,018 members in North Carolina Baptist churches. Many help by volunteering to go, others by their offering, and others by their prayers. None is any more important than the others. It takes all (with the right motive and God's leadership) for each member to reach his/her goal for the SUPPORT OF NC MISSION OFFERING AND THE WEEK OF PRAYER. The goal for NC Mission Offering is $2.5 million. Your support is needed.

-Donna Parham

BAPTIST STATE CONVENTION

The theme of this year's 177th Baptist State Convention's annual session focuses upon the Great and Wondrous Things that God has been doing in and through North Carolina Baptists. I hope that as you gather to celebrate the many Great and Wondrous Things that God has been doing through the churches of your association this year, that you will join the Council on Christian Higher Education as we, too, celebrate God's work on the college and university campuses of institutions of higher education that cooperate with the Baptist State Convention of North Carolina.

The student body of each campus is growing, new facilities are being built, and students are provided with opportunities to grow academically and spiritually. Allow me to provide an example of only a few of the great and Wondrous Things that God has done one ach of the five campuses this year:

Campbell University - 2,835 undergraduate students; establishment of a football program; construction of a new convocation center and new chapel.

Chowan University - significant renovations underway; improvement of athletic facilities; growth of endowments now totaling over $21 million dollars; numerous students participated in missions trips and journeys to the Holy Land.

Gardner-Webb University - nearly 4,000 students from 34 states and 33 countries; new facilities for students with disabilities; new degree program – Master of Arts in Religion; marching band established; numerous students participated in missions trips to the Gulf Coast region, Canada, and Ecuador.

Mars Hill College - celebrated 150th anniversary; mission teams to Honduras, Greece, and New Orleans; established teacher education graduate degree program; new math and science building underway; renovations to athletic facilities.

Wingate University - over 1,800 students; 57 graduates comprised the School of Pharmacy's first graduating class; students involved in supporting the hunger relief efforts of the Charlotte Men's Shelter and Harvest Food Bank.

This year, undergraduate students were given the opportunity to apply for the Convention's Baptist Scholars Program scholarships on-line. The new application process is faster, easier, and much less complicated than the former paper applications.

I also hope that you will make plans to attend the annual session of the Baptist State Convention of North Carolina, to be held in Greensboro on Monday, November 12 through Wednesday, November 14. Please plan to stay for the Council on Christian Higher Education presentation on Wednesday as the council will be highlighting the Great and Wondrous Things God is doing in the lives of Baptist students as they "Call to Me..." Jeremiah 33:3.

I remind you that your generous gifts to the Cooperative Program provide important support to these five schools through scholarships and other unrestricted funds. These five schools, Campbell University, Chowan University, Gardner-Webb University, Mars Hill College, and Wingate University, strive to provide educational opportunities from a Christian worldview with a Baptist distinctive and are able to do so as you both give and pray for students, faculty, and campus leadership alike.

GRASSY CREEK BAPTIST CHURCH

Grassy Creek Baptist Church's last updated history is recorded in the 1989 Association Annual. Some updates since 1989 are in 1998 new carpet was installed in the sanctuary, the pews and floors were refinished and the restrooms were remodeled. The cushions on the pews and the curtain closing off the baptistery were redone in a burgundy material.

Former member, Larry Elliott and his wife Jean, served as missionaries in Honduras until 2004 when they felt called to serve in Iraq. Unfortunately they were killed in Mosul, Iraq on Monday, March 15, 2004. They are buried in Grassy Creek Cemetery.

There has been continued progress in the programs of Grassy Creek Baptist Church. Under the blessing of God, Grassy Creek has maintained a progressive membership. In 2004 we celebrated our 250th anniversary. Since then we have been blessed to have Rev. Robert Baynard as pastor and then Rev. Tommy Robertson as interim when Rev. Baynard retired. In June 2007 we called Rev. Johnny Armstrong our pastor.

Grassy Creek continues to grow and through God's wisdom and leadership, the church is a great influence in the community. Today's church is more than survival of three structures and faithful congregation. It is the history of all its members. It is the record of the institution. It is the grounds and the building and the graveyard behind the church. It is even the graves and the interred remains. It is the will to survive and the belief and the need for a church. One thing that has remained steadfast in Grassy Creek Baptist Church is the love of our Lord and our Savior.

Pastors serving at Grassy Creek since 1989 are Rev. Scott Thompson – 1993 – 1993, Rev. Roy Vestal – 1994 – 1998, Rev. Randall Carter – 1998 – 2003, Rev. Robert Baynard – 2003 – 2006 and Rev. Johnny Armstrong – 2007 – present.

PROVIDENCE BAPTIST CHURCH

Providence Baptist Church held their first service on March 19, 1907. The people of the Providence Community, of the Baptist faith began to feel the need to worship close to their homes. For several years during the mid 1800's, they had been attending the Tally Ho Baptist Church, Enon Baptist Church and Shady Grove Methodist Church.

The church was originally named the Beulah Baptist Church. Rev. Joshua Stradley was called as the first pastor. Services were to be held on the second Saturday and second Sunday of each month.

The church was off to a good start and was accepted into the Flat River Baptist Association in July 1907.

In 1907 when the church was just getting started, with the permission of the Granville County Board of Education, the people were allowed to worship in the second building, which was a one room structure that stood near the Parham home place. But soon the thoughts of the people began to turn to the need for an adequate place of worship. In the fall of 1907, Mr. & Mrs. Lockett Parham offered a lot from their farm to build a church house. The deacons and the trustees accepted their offer.

On April 13, 1908, thirteen months after the church was organized, the first service was held in the new building. Prior to the first service, pews had been installed. A large pulpit Bible was given in honor of the sister of one of the charter members. T. Zion gave to the church a pewter communion service, which included a tall pitcher, two bread plates and two goblets.

In 1912, the first change to the building was the "T" that was used to accommodate the pulpit and also included corners of each side of the pulpit.

In 1936, four classrooms joined to the building by a hallway were joined to the back of the building. Two members of the church did the construction.

By the early 1940's, during the World War period, members of the church began to feel the need for a more modern adequate building, and in 1944 the church established the "Ingathering Offering" for the purpose of gathering funds with which to build a new church house, and in March of 1949 the construction began.

On June 11, 1050, Rev. W. Isaac Terrell preached the first service in the new church building, with 345 persons present.

In 1964, a parsonage was erected adjacent to the church building. In 1973, we added stain glass windows to the church, in 1996 we purchased a 1995 Chevrolet Van, and in 1998 a shed adjacent to the parking lot was added, and in 2000 we added playground equipment. On July 13, 2003, the church voted to become incorporated.

Sometimes during 2007, Providence Baptist Church will be celebrating their 100th anniversary. WE believe that God has great things in store for us in the coming years, and we give thanks that he has prospered his work and his people at Providence.

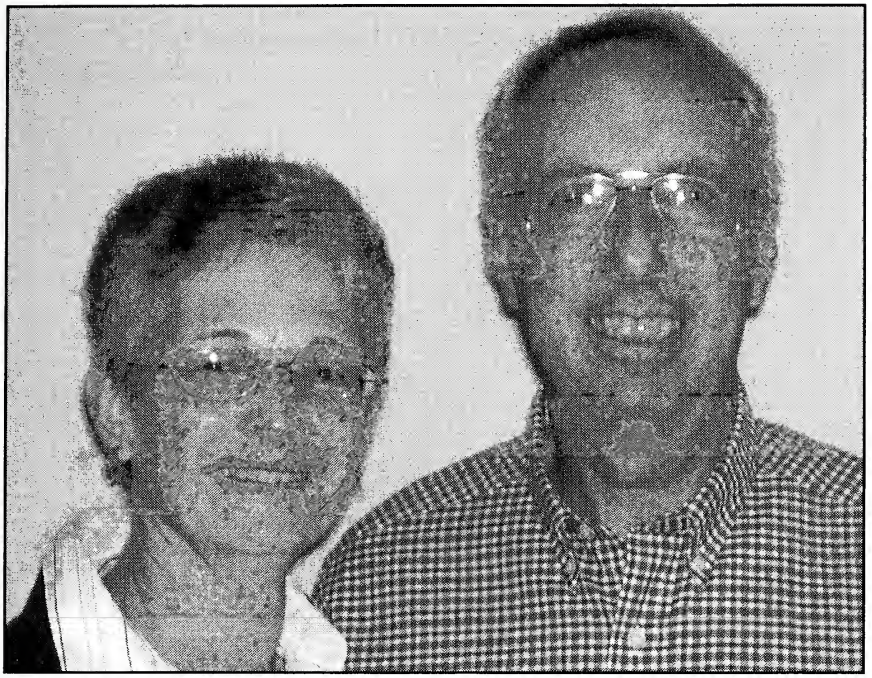
DEDICATION

2009 Annual Dedication



Bobby and Wanda Temple, members of Fellowship Baptist Church, in Creedmoor, symbolize for many of their fellow church members and friends across the Flat River Baptist Association "the hands and feet of Jesus." Quietly without calling any attention to themselves or their mission efforts they have been "mission-active" in places at home as well as abroad. Truly they have lived and continue to model for us a missions lifestyle as they have traveled to Honduras and South Africa, as well as hurricane-ravaged coastlines in Louisiana, North Carolina and South Carolina. In recent years Wanda has been recognized by the North Carolina Women's Missionary Union for her leadership role. Bobby Continues to minister at Camp Mundo Vista, Habitat for Humanity, CCM, and ACIM through his role in North Carolina Baptist Men. May God continue to bless them as they seek Only to further the work of the Kingdom.

WMU LOOKING BACK AND GOING FORWARD

I have always been interested in WMU both in my church and in the Association In the following you may recognize some of your ancestors who have served in leadership in WMU.

Paul, writing in Philippians 4:3, says "Help those women which labored with me in the gospel, prove beyond a doubt that some of Paul's fellow workers at Philippi were women. Many women throughout the Bible set the examples of hearing and doing the message of God that we continue to do today. In 1882 at one of the annual Flat River Association Meeting, "Sisters", as women were called then, from the churches were asked to assist with the raising of funds for associational missions. As early as the 1700's woman's work in NC was referred to as "Woman's Mission t Woman". The terminology of women's work was different in many areas but it became WMU in NC in 1886. The national Woman's Missionary Union or WMU, SBC was organized in 1888 in Richmond, Virginia. North Carolina had delegates there but they did not vote because they wanted to see what it was they had been hearing about so it was two years later that NC WMU became a part of the national WMU. The names of Mrs. L. G. Crawford and Mrs. F. M. Meadows are mentioned in 1896 as the first Superintendents of woman's work in Flat River. In an associational meeting in 1899, the men adopted a recommendation "that whenever practical, Woman's Missionary Societies be organized" but records show that several churches had already organized a WMS or a Ladies' Aid Society as early as 1891. In the early years, woman's work was composed of Woman's Mission Society, Sunbeams, Young Women's Auxiliary (YWAs), Girls Auxiliary (GAs) and Royal Ambassadors (RAs). In 1890, Woman's Missionary Union became the organization that would umbrella all the different organizations and continues today.

In 1905, Miss Fannie Heck (one of the ladies for whom the Heck-Jones Offering is named) was requested in an associational report on Woman's Work by A. B. Dunaway that Mrs. C. D. Ray of Oxford be appointed as vice-president of Woman's Work in our association. She only served one year. In 1907 at the annual meeting Woman's Work in Flat River was commended for the best report, but it was not until 1910 that WMU was organized in Flat River. The first officers were Miss Sue Kelly of Island Creek as First Vice-President; Mrs. John Webb of Oxford as Second Vice-President; and Miss Evye Street of Mill Creek as Secretary-Treasurer. Even though Flat River WMU had not been officially organized in March 1910, Oxford Baptist Church hosted the annual meeting of NC WMU.

Prior to 1910, financing for WMU was dues of five cents per person, however at the 1910 meeting it was proposed to increase to ten cents per member. Today it is $2.00 per member. 1920 was a major change for WMU as terminology changed from vice-president to superintendent to WMU Director. The most major change was allowing women to give the WMU Report at the Annual Meeting of FRBA. A statistical report never tell the true story of what has been done within our WMU but in 1908 it showed 31 societies with approximately 700 members. In the 2007 FRBA Annual there were 31 churches reporting WMU work with approximately 1,450 members.

In 1970 the terminology of WMU changed again to Baptist Women, Baptist Young Women, Acteens, Girls in Action and Mission Friends. Mr. George Gresham, who served many years as Brotherhood Director in FRBA, is credited for organizing the annual affair for men and women known as our Baptist Men/Women on Mission Banquet. The first "ladies nite out" was in 1968 with approximately 60 attending. This became an annual event with attendance increasing. In 1979 the Baptist Women joined the Baptist Men in sponsoring the Banquet. This has become a very exciting annual event. The WMU began to have annual events for the different age groups, such as, Mother-Daughter Retreats at Camp Oak Hill, Sunbeans having two day camps and an Acteens Rally. Operation Santa Claus began for residents at Butner Institutions, the Toy Ministry began under the leadership of Mrs. Virginia Tuck and many volunteers. Other ministries we continue to have the opportunity to be involved in are the FRBA Damascus Home; ministry at the nursing and assisted living homes; the Prison Fellowship Angel Tree; the Belarussian Children Project; Disaster, Recovery and Feeding Teams; Youth and Adult Mission Teams; the Camp Mundo Vista work team led by Rev. Bob Wainwright, former FRBA Director of Missions.

In 2001 there were more changes to WMU. The groups were all changed to co-ed groups helping churches reach more people. No matter what we are called, all age groups have the opportunity to pray for missions, learn about mission support and missions, engage in mission action and witnessing. Through over 100 years, Flat River "woman's work" has had many WMU members dedicated to mission service, to giving sacrificially to the various special offerings including the Cooperative Program; to being prayer partners with missionaries around the world and many dedicated leaders have worked hard to train women, girls and boys in how to be involved in mission work. Thanks to all of you who not only have served as leaders in your church but have taken the time from your busy schedules to serve on the associational WMU leadership team and lead our associational conferences as well as direct the many associational events.

BROTHERHOOD

The Baptist Men were busy in 2008-2009 with many projects of assistance. Many from our association helped with tornado damages in Kenley, NC and hurricane damage in Texas. Several projects completed were the building of two homes from fire damage, repaired roofs, siding, plumbing and electrical on many homes through our Handy Man projects and assisted Rebuilding Hope with their ministry. FRBA hosted a Region 4 Rally at Butner First and also hosted the North Carolina Baptist Men Dental Bus along with the women of our association. We continue to support Camp Mundo Vista. We had members on mission trips in Honduras, Africa and in the United States during the year. The Baptist Men/Women Banquet in January 2009 was again a great success. We also sponsored another very successful Golf Tournament again this year. The proceeds went to Baptist Men's Disaster Relief.

Mr. Joe Seagroves

WOMEN'S MISSIONARY UNION

The 2008 Flat River Baptist Women Missionary Union began its new year with a new emphasis "Called to Love." Our leadership conference was held at Oxford Baptist Church on August 19, 2008. WMU continues to encourage our churches to support and participate in the weeks of prayer for the Annie Armstrong Offering for North American Missions, North Carolina Missions in September, and the Heck Jones Offering for North Carolina WMU and the Lottie Moon Christmas Offering for International Missions.

Our annual Baptist Men/Women Banquet was held at Pleasant Grove Baptist Church on January 23, 2009. Our guest speaker for the banquet was Rick Langston, Associate Pastor of Summit Community Church in Durham and music was provided by the Bethesda Bluegrass Boys of Durham.

On January 3, 2009 our Youth Rally was held at Fellowship Baptist Church with guest speaker Tim Bowes, Youth for Christ pastor of Roxboro. Wanda Temple of Fellowship Baptist Church organized the program for the youth. A great time was enjoyed by all.

Our WMU Spring Tea was held at Tabbs Creek Baptist Church on February 22, 2009. We celebrated the Flat River 100th Anniversary of WMU. Each church submitted a one page history of their WMU. These were combined in a booklet for each one to take home. Gerald Rene Frasier, our guest speaker, gave the history of the Flat River WMU over the

years. Our mission project was to bring shampoo for the health kits for the Dental Bus patients.

On March 7, 2009, Mountain Creek Baptist Church hosted the CIA/GA Day Camp. The emphasis was Medical Missions, with Donna Rodgers, RN, president of NC Baptist Nursing Fellowship as guest speaker. The children enjoyed making health kits for the Dental Bus and rolling bandages for doctors overseas.

On March 14, 2009, Sharon Baptist Church hosted the Mission Friends Day Camp. The kids enjoyed a fun day that included a puppet show by Kids for Christ from Good Hope Baptist Church. They also enjoyed a visit from Lottie Moon and Annie Armstrong. The Mission Friends collected food for ACIM and kool-aide packet for missionaries George and Faye Cannady.

Our FRBA WMU and Brotherhood hosted the NC Baptist Dental Bus on Mach 28, 2009. We were able to see 28 patients that day. We had four outstanding dentists volunteer to help. They were Dr. Bart Cleary, Dr. Alex Drake, Dr. Reed Spears and Dr. Amy Temple along with their hygienist. This project was supported by our Flat River churches with volunteers, monetary gifts, and items for hygiene kits along with Bibles and Teddy Bears.

-Mrs. Betty Jean Cash

BELARUSSIAN CHILDREN'S MINISTRY

The group this year was small with only six children and a chaperone. This was due to the Belarussian president not allowing any children residing on orphanages to leave Belarus. We had a good six weeks and they arrived back in Belarus on August 13. One child professed Jesus as Savior and was baptized with his parents consent. Thanks to all who have a part in this ministry---contributors, prayers, host families, doctors, dentists, bus driver and the list goes on. If you think that you would like to host a child, please call me at 919-693-8758.

-Mr. Pello Duncan, Host Group Coordinator

FRBA BLOOD DRIVE

Two American Red Cross Blood Drives were held this year, one in December 2008 and the other in June 2009. The turn-out was moderate but each unit collected was beneficial to someone. Thanks to all who are willing to take the time and make the effort to donate blood which is the "Gift of Life."

-Mr. Pello Duncan

TIME AND PLACE

The 217th annual session of the Flat River Baptist Association, Inc. is scheduled to meet on Monday, September 20, 2010 with Good Hope Baptist Church. The annual session for 2015 is scheduled with Grassy Creek Baptist Church.

-Mrs. Betty Jean Cash

BUDGET PROMOTION

The Flat River Baptist Association, Inc. is supported by the prayers and financial support of the member churches. We still have a debt on the purchase of the new office building at 118 W. McClanahan St. We ask that the churches continue to support the association so that our mission endeavors will accomplish even greater works in the future. We hope that each church will consider giving at least 4% of their undesignated receipts, if they are not presently doing so.

A copy of the proposed 2009-2010 budget was enclosed in the packet at the annual meeting. Except for small raises for our staff and an increase in the CCM Operating Expense the budget is basically the same as last year. The total increase was $851.00. The 2008-2009 Budget Committee was: Mr. David Richardson, Chm., Mr. Ronald Bennett, Mr. Robert Montague, Mr. William Adcock, Mr. Jerry Faulkner, Mrs. Mary Helen Parrott, and Dr. Fred Knott, ex-officio.

CHURCH AND COMMUNITY MINISTRIES

"I thank my God every time I remember you." Philippians 1:3 "And we pray this in order that you may live a life worthy of the Lord and may please Him in every way; bearing fruit in every good work, growing in the knowledge of God.: Colossians 1:10

Paul often began his writings with thanks and appreciation for the support he received from the saints. I, too, thank God for the people who make up the churches of the Flat River Baptist Association for their support of CCM this pat year. Your support in the form of prayer, volunteerism, financial contributions, and donations of clothing, household goods, etc has enabled CCM to meet physical needs that in turn leads to spiritual encouragement for the saved and the planting of spiritual seeds in the lost.

The '08 Christmas Toy Ministry brought joy to 721 children on Christmas morning and we praise God as 11 parents made professions of faith! Twenty Murdoch and 10 John Umstead residents were blessed with Christmas gifts from Flat River churches. Each child at the Central Children's Home received a Christmas gift and was remembered on their birthday. Fifteen hundred bars of soap were collected for the Women's Prison Christmas "Red Box." Many churches participated in the Operation Christmas Child "Shoebox" ministry.

Many coats and jackets were given away last fall through Operation Inasmuch. Each garment had an evangelistic tract tucked in a pocket. Many churches participated in the "Food Round-up" for the Baptist Children's Home.

Hundreds of pounds of pop top tabs were collected for the Ronald MacDonald House. These tabs are recycled to help pay the room rent for the families of sick children who stay at the Home. Untold numbers of boxes of cleaned prescription medicine bottles were mailed to Franklin Graham's Samaritan's Purse Organization for use by overseas missionaries. Eye glasses ere collected for the Honduras mission trip and empty computer ink cartridges were collected for the Baptist Children's Home.

The Baby Moses Closet helped many moms, grandmothers, and foster mother's this past year. Many items of furniture, mattresses, and household goods were given to families and individuals who lost their homes to fire or to those with a lack of financial abilities. Many families and individuals benefited from donated clothing and shoes as well as some area schools that have outfitted a clothing closet within their school from clothing donated to CCM.

The Back Yard Bible Club held at the Oxford Housing Authority ministered to a record of 85 children in 2009! One child gave his life to Christ.

Hospice birthday boxes lovingly put together by Flat River children made life a little more bearable for the terminally ill. Through out the year, emergency grocery store gift cards were given to individuals and families as needed.

The CCM Thrift Store is a big hit with shoppers on Wednesday mornings. Families are able to stretch their dollars by buying quality clothing and other items at dirt cheap prices. All funds generated are used to help provide for CCM ministries as well as the ministries of others. Many boxes of supplies have been mailed to missionaries George and Faye Cannady in Botswana. Financial support has been extended to other missionaries: Danny & Debbie Evans of Cambodia and Fletcher and Ruby Dickerson of Ecuador. Others receiving financial donations were ACIM, the Penn Avenue Soup Kitchen, the Belarussian Children's ministry, the Baptist Children's Home (school supplies), the Peruvian mission project, the Camp Angel Tree for sons and daughters of inmates, and Murdoch's campership program.

CCM sends out a monthly newsletter. Let me know if you like to receive a copy either by e-mail or by USPO. Volunteers are always welcome at CCM. Just show up and we'll put you to work!

CCM hours: Tuesday 9:00 – 12:00 noon to work and accept donations, Wednesday 9:00 – 3:00 pm open as Thrift Store (would prefer not to receive donations on this day but will accept), and Thursday 9:00 – 12:00 noon - to work and accept donations. The Penny Hill Extension Club opens the CCM building on the 1st Saturday of each month to accept donations except when it falls on a holiday weekend.

Thank you Flat River churches for bearing fruit! Your dedication to serving the Lord makes all this possible!

NORTH CAROLINA MISSIONS

"North Carolina Baptist Reaching the World for Christ" The Flat River Baptist Association's thirty-eight churches gave towards meeting the North Carolina Missions Offering goal of $2.1 million. More than $1 million of the offering goes to North Carolina Baptist Men. The Flat River Baptist Association has a very strong Baptist Men organization that reaches people in need. The members of our association give generously of their time and monies.

DAMASCUS HOME

As Damascus enters its fifteenth year of ministry our Board has taken great strides to ensure that we are still about pointing men to a relationship with Christ and to reconcile with loved ones. In the past year we ended our search for a new Executive Director with the installation of Mike Wilkie. We also continued to spread the message and ministry objectives of Damascus Home far and wide throughout the Flat River Baptist Association and beyond.

The Damascus Home is designed to house six men at any given time. Through intensive Bible study, employment, involvement in local churches and discipling we set out to help each man prepare to reenter the community as a productive Christian who looks to give back to the community. The ministry is financed by the residents fees charged to the men as well as gracious donations from Flat River Baptist churches and individuals. A weekly community Bible study is held each Tuesday evening beginning at 7:00 PM at the Home located on Church Street in Creedmoor. There are other opportunities that are available to mission groups, Sunday School classes and individuals to become involved in a more personal way with the ministry.

As we reported at the September 2009 annual meeting we are coming to the end of a very challenging year. With the down turn of the economy, increases in operating costs and a drop in donations we have had to utilize savings to pay Norman operations expenses. The Board of Directors has led a call to prayer and action to support the continuation of the ministry into 2010. It is the sincere prayer of the leadership of Damascus Home ministry that we continue to be a strong force in the ministry of rehabilitation and reconciliation through Jesus Christ for many years to come. We would like to thank everyone who has contributed to our ministry either financially, prayerfully or by spreading the message of our ministry. Please continue to partner with us as we impact the world for the purpose of building the Kingdom.

INTERNATIONAL MISSIONS

The International Mission Board is an entity of the Southern Baptist Convention, of which Jerry Rankin is the President. The home office is in Richmond, VA.; however, hearts, minds and energies are focused on the world's people – many of whom have never heard of Jesus—and more than 5,000 Southern Baptist missionaries who work diligently to share His great love with them.

We as members of the Flat River Baptist Association are each called upon to pray for our international missionaries as they serve in cultures that are different from their homeland and pray for an abundance of God's love and protection to surround them. Pray that the work of the missionaries may grow and that they may have eyes to see the needs around them. Specifically, let us not forget those couples who are serving that have ties with our FRBA. They need our continuous prayers.

As this is a time of budget constraints in all areas, our International Mission Board is also facing important decisions because of budget concerns. The Trustees of the IMB have heard that budget constraints will mean slowing down rate of new missionary appointments in 2010.

We need to continue our commitment of financial support. The Lottie Moon Christmas offering is collected each year to give additional support to our missionaries.

Members of the Flat River Baptist Association are encouraged to visit the IMB official website—www.imb.org—Which includes missions articles, directory of missionaries, overview of people groups and service opportunities.

CHRISTIAN EDUCATION

At the request of the presidents of Campbell, Chowan, Gardner-Webb and Wingate Universities, as well as Mars Hill College, the Baptist State Convention officially established a new relationship with these colleges and universities during its annual session in November 2008. This new relationship now affirms these five schools as "affiliated educational institutions" and gives them the freedom to select their own trustees as they see fit. In return, unrestricted Cooperative

Program funds forwarded to these affiliated educational institutions will decrease annually, and by 2012 the schools will no longer receive unrestricted CP funds. However, as part of the new relationship, certain commitments were made that include the educational institutions will elect a significant number of trustees who are members of churches in friendly cooperation with the Convention, that they will continue to report to the Convention and have a vote each on the Council of Christian Higher Education, that the deans of the divinity schools at the institutions will be members of the Council, and that the Convention will provide scholarships to students as funds are available. This year, the new North Carolina Baptist Scholarship Program approved 663 scholarships: 206 to Campbell students, 37 to Chowan students, 217 to Gardner-Webb students, 74 to Mars Hill students and 129 to Wingate students. This is a decrease from the total of 732 scholarships that had been awarded in 2008. While the Council has received many inquiries concerning the possible expansion of the scholarship program to include additional schools, the current downturn in CP giving prevents the Convention from being able to fund an expansion in the number of scholarships at this time. The priority in this difficult economy is to fulfill the existing scholarship commitments. The Council requests your prayerful support as they work to find ways to promote, support and encourage both Christian higher educational and theological education for North Carolina Baptists.

ANNUITY

The GuideStone Team of the Baptist State Convention of North Carolina with Team Leader, Johnny Ross, and Administrative Assistant, Betty Pleasant, take seriously the mandate to serve the churches affiliated with the Baptist State Convention of North Carolina, Inc. in the following areas of ministry for church employees: insurance coverage, planning for retirement, staff compensation with a focus on the appropriate structure and administration of pay for church employees, and the complex topic of ministerial tax issues. By conducting regional/associational/local church training conferences, and individual consultation, both onsite and via the phone and internet, many church employees and

key lay leaders have been trained and brought up-to-date with new legislation and court decisions. In particular a concerted effort was made during this past year to interpret the new IRS 403 (b) Regulations which became effective January 1, 2009. Thirty regional and associational conferences were conducted across the state reaching over 700 persons from more than 500 churches. This remains an ongoing emphasis since the IRS extended a one year grace period for churches to be in compliance with written documents in place effective January 1, 2010. In addition, we work closely with GuideStone Financial Resources in Dallas to provide financial assistance to those elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one time assistance through Mission:Dignity. Over 200 persons from North Carolina received financial assistance through this ministry last year!

The Adopt an Annuitant is past of GuideStone Financial Resources of the Southern Baptist Convention. Through this ministry, GuideStone assists retired ministers or their widows whose regular income is insufficient to meet their need. Qualified recipients of Adopt an Annuitant Funds receive $200.00 per month for an individual or $265.00 per month for a couple. Recipients must meet guidelines for income, assets and years of Southern Baptist service. Often, this small monthly income makes the difference in paying the electric bill or obtaining needed medication.

The Adopt an Annuitant Program accepts gifts of any amount and nothing is taken out for administrative cost. 100% is used to help someone in need. All gifts are tax deductible to the maximum allowed by law. Our association participates in the program. As your GuideStone representative let me urge all our churches to support this ministry by including it in your budget as a one time gift of any amount.

This past year has been a very difficult year economically with a dramatic downturn in productivity globally. Retirement plans, including those of many church employees in the church retirement plan, have been hit especially hard in the past 18 months. Yet, GuideStone Financial Resources of the Southern Baptist Convention remains in a strong position financially. Since its beginning in 1918 and continuing until today, GuideStone has not missed making a benefit payment to those who have entrusted their retirement monies to this agency of the Southern Baptist Convention. This retirement plan remains the very best retirement plan on the market

today for church employees. With the two protection benefits (survivor and disability) and the matching dollar incentive no other plan comes close to providing protection for today and security for tomorrow for our church employees.

BAPTIST CHILDREN'S HOMES

Paulina.... Eighteen-year-old Paulina has lived at Baptist Children's Homes' oldest campus Mills Home in Thomasville for three years. BCH has been the refuge Paulina needed as the storms of her family's life swirled around her uncontrollably. The arguments between her parents were becoming more frequent. Paulina's mother and father knew their problems were disruptive. After a recommendation from a friend, they called BCH. Here she found caring staff members who would listen. She found a place where she felt safe. Paulina credits BCH child care workers Sonya and Bobby Dalke for helping her make the bet of her new life. It was through the Dalkes' guidance that Paulina accepted Christ as her personal Savior. After accepting Christ, Paulina stepped up for the other girls in her cottage. "I began to understand more," she says. "I was determined to be a role model." Last year, Paulina was one of the first girls admitted into BCH's new transitional living service at Huffman Cottage. Transitional living allows a resident the opportunity to focus on the skills he or she needs to live independently. Paulina has been accepted to a couple of colleges but plans to stay close to Thomasville and attend the community college. She is hoping to earn an associate degree in physical therapy and then transfer to a four-year college to receive her bachelor's degree. "I am grateful to have had a place to retreat and feel good about me," Paulina says.

Girls Wilderness Camp Moving Forward.... The long-held dream of opening Camp Duncan, a wilderness camp for at-risk girls, is unfolding through the commitment of North Carolina Baptists. North Carolina Baptist Men and Baptist Men on-site project coordinator David Seymour are leading church groups and other volunteer efforts to develop and renovate the 576-acre property and it facilities. On June 13, churches, dignitaries and supporters joined BCH staff members and residents for a picnic and groundbreaking ceremony at the property. BCH is in the process of raising much-needed funds to open Camp Duncan. The Gay T. and Haskell A.

Foundation, for which the camp is named, gave a $250,000.00 grant. The foundation has issued a challenge gift that will provide an additional $250,000.00 grant once BCH raises $500,000.00. The cost to complete Camp Duncan is estimated at $1 million.

BCH Undertakes New Aging Ministry.... Baptist Children's Homes has been tapped to oversee the North Carolina Baptist Aging Ministry (NCBAM, a dynamic Christian resource for the aging and their families. The non-residential ministry is operated by BCH and totally funded by the Baptist State Convention. The ministry focuses on providing information and referrals, on connecting the aging and their families with resources to meet needs, and on coordinating practical ministries. The ministry is Christ-centered and seeks to treat the aging with dignity and respect enabling individuals to maintain independence and a quality life.

Children Accept Christ .... In 2008, 85 children in care at BCH facilities across the state accepted Christ as personal Savior. BCH remains committed to being Christ-centered through all its programs to children and families.

BCH Approaches Historic Anniversary ..... In November 2009, Baptist Children's Homes began counting down to its 125th anniversary. Originally known as the Baptist Orphanage, BCH opened its doors on November 11, 1885 and today operates care facilities in 14 North Carolina communities. A year-long celebration will culminate at the annual meeting of the Baptist State Convention in November 2010.

NORTH AMERICAN MISSION BOARD REPORT

Ben and Cherry Blackwell are NAMB Mission Service Corp missionaries to the Greater New Orleans area. They work with Lagniappe Ministries. ("Lagniappe is a French word meaning "a little something extra). Their work is with the hospitality and tourism industry and provides volunteers for events. This gives the visitors an opportunity to hear about Christ and accept His special gift of eternal life. They serve in their hometown of New Orleans and the French Quarter. This gives them an advantage because they can get into areas with Christ others could not. They are faced with real obstacles including voodoo and Satan worship.

Tom and Jean Nolan were IMB missionaries in the Ukraine for many years. They are semi-retired and want to continue to serve God. They were encouraged to visit the seaman's ministry. After boarding a ship and showing the JESUS film all nine sailors signed a commitment to Christ. They spent much time traveling to churches promoting missions.

Lake Placid, New York is a tiny town with an Olympic-sized mission field. Derek and Kim Spain and their three children wee called there to pastor a church and the ministry in Lake Placid to reach out to winter sport athletes. They have a tremendous opportunity in a small resort and many visitors from all over the world.

NORTH CENTRAL REGION

The North Central Region (Cullom, Flat River, North Roanoke and Tar River Associations in partnership with the Baptist State Convention) has had another good year of efforts towards supporting associations and strengthening congregations in the focal areas of missions involvement, leadership and revitalizing churches. Each of the three taskforce groups has offering in these key areas this Year.

The Missions Involvement Taskforce continues to refine and provide for the usage of the regional Party Trailer. WE are excited that the trailer is in high demand and has been in use every weekend and many weekdays since early spring. It is scheduled for use until the middle of November. This is good news in that it indicates that congregations are making efforts to reach their communities and for that we are grateful. We

have not had as many repairs to make to the equipment this year as in past years and we appreciate the care that users are using to maintain the equipment. Some replacement equipment has bee purchased as well as a new 12 foot and 24 foot parachute. Evaluations forms from last season indicate the following:

- 27 churches within the 4 associations used the trailer. A total of 2300 people helped out with the different events associated with the use of the trailer.
- 1700 people were reached.
- 400 prospects were discovered.
- 23 decisions were made.

The taskforce is currently developing a list of ways congregations can reach out and serve their communities in light of these difficult economic times. A similar list is available and is currently being expanded for Operation Inasmuch. Laura Davis, Wise BC, Cullom Association, is facilitator of this group.

The Leadership Development Taskforce provides a DVD Leadership Library. A subscription has been purchased for all the DVDs provided within the Leadership Library of the Church Communication Network. This organization produces DVDs of seminars, conferences, and presentations of some of the most respected voices today in various areas of ministry and leadership. These DVDs are available for check-out by congregations and/or congregational leaders and members. A listing of available DVDs is on the North Central website by subject matter. These DVDs bring some of the leading speakers in various ministry areas to your church, at your convenience, for no cost. Please take advantage of them. This taskforce is currently in the midst of transition in leadership and focus. Chris Carroll, Castalia BC, Tar River Association, is facilitator of this group.

The Revitalizing Existing Churches Taskforce continues to provide a process of congregational spiritual renewal for any interested congregation. The process includes a look at biblical personal spiritual renewal and present-day personal spiritual renewal as well as biblical group spiritual renewal and present-day congregational spiritual renewal. Assessments are included within both the personal and congregational renewal steps. Key note presentations utilized in this process have been developed into a DVD in an effort to be responsive to interested congregations in a timely manner. Other helps for congregational spiritual revitalization are available on the regional website.

The Revitalizing Existing Churches Taskforce is currently working towards two other major projects to assist congregations and congregational leaders. A DVD is currently being developed that will feature several spiritual practices that can help individuals to grow in Christ. Testimonials, guidance, and helps will be provided for the spiritual practices of confession, listening prayer, journaling, Christian meditation, solitude, and spiritual reading. Each DVD segment will include enough material for a 45 minute to one hour teaching session.

The taskforce is also working towards compiling a Spiritual Growth Sermon Collection. Sermon manuscripts will be stored on CD's and made available to pastors in the region as an encouragement and help in spiritual leadership and teaching. Sermons included come from Saddleback Resources (used by permission) and focus on forgiveness, confession, patience/waiting, listening prayer, simplicity and discernment. Mike Currin, Littleton BC, Cullom Association, is facilitator of this group.

The North Central Region invites your questions, comments, and/or suggestions. We continue to seek ways to nurture spiritual growth and renewal, leadership, and missions and ministry with North Central NC.

The Center for Congregational Health extends the ministry of North Carolina Baptists through Christ-centered consultation for churches and leadership development for clergy. Over 250 churches per year are helped with planning for their futures, re-energizing congregational life, or resolving divisive conflicts.

COOPERATIVE PROGRAM

About 4,200 congregations are now affiliated with the Baptist State Convention of North Carolina, a number that has risen steadily in recent years.

North Carolina Baptists start a new church every three days on average and support some of the most effective ministries in our state, such as the Baptist Children's Homes of North Carolina, a summer youth group program for some 7,000 young people, a scholarship program which last year provided more than $1 million in scholarship aid to Baptist students, and many other ministries.

Beyond that we support some 11,000 North American and international missionaries across the US and Canada and in more than 180 countries around the world. Our six seminaries, including Southeastern here in our state, are attended by some 13,000 students, one of the biggest programs of its kind in the country.

Our North Carolina Baptist churches and our programs are increasingly multi-cultured; we speak more than three dozen languages in our churches as we sing, preach and pray on Sunday.

This extensive program of missions and ministry is funded by churches by their contributions through the Cooperative Program. It is a simple approach.

Each November people from the churches meet in an annual session and adopt a budget, which determines the ministries they want to support. During the year the churches send the Cooperative Program funds to the Baptist State Convention office in Cary and there the accountants send the money on to Kingdom work far and wide, according to the budget.

That simple plan has helped Baptist work together effectively since 1925. Pastors and lay people, men and women from the churches, served on the boards and committees which oversee the work they support.

The Cooperative Program office works to keep this vital missions support system before North Carolina Baptists.

BRASSFIELD BAPTIST CHURCH

Brassfield Baptist Church has served as a beacon in the community since it was organized in 1823. It is located on Highway 96, in the southern part of Granville County. The last historical update of the church for the Flat River Association Annual was featured in 1991. Since that time we have experienced growth in our church and have expanded to meet those growth needs.

In 1994, the Men's Brotherhood was formed to be able to provide a mission's outreach to the local community and sometimes internationally when the need arises. Improvements to the church parsonage were made in 1996 by adding two rooms and a bath. Per a recommendation to the Deacon Board, Brassfield Baptist Church became incorporated in 1997.

Since 1991 Brassfield Baptist Church has purchased an additional 3.6 acres of land adjacent to current church property lines. One of the major additions at Brassfield was made in 2002 when a new Fellowship Hall was built. The 3,583 square foot addition contains Brassfield's first baptistery. Through faithful giving by members, in 2006 the note was paid in full for the loan on the construction of the Fellowship Hall. Renovations were made to the historical sanctuary of the church in 2006. The exterior was painted and new shutters were installed. The interior was also painted at that time. To further improve the interior of the sanctuary, new seat cushions and drapes were also purchased. Another historical milestone of 2006 was the revising and updating of the church Constitution and By-Laws.

Homecomings are held every five years at Brassfield. The last Homecoming celebrated was held in 2008. Reverend Sonny Diggs, who served at Brassfield from 1985-1988, was the guest speaker at the event. Also in 2008, Brassfield hosted the Flat River Baptist Association's annual meeting.

Members of Brassfield have donated many generous gifts in honor or in memory of their loved ones. For example, a lighted church sign and concrete benches were purchased that help beautify the church grounds. In addition to exterior gifts, a basketball court was constructed for the youth of the church. Other gifts to the church included a piano, furniture, kitchen equipment and a sound system.

Many people are dedicated Brassfield Baptist Church and have worked very hard to ensure she continues to thrive. We are truly blessed to have such faithful embers who give so freely of their time, talents and gifts. People are the "Church" and we pay homage to those who have labored to make Brassfield who she is today. We pray our church will continue to be the beacon for our community that shines our love for the Lord Jesus Christ.

BUTNER FIRST BAPTIST CHURCH

Those who came to the Camp Butner area after the war found desolation glaring them in the face in the form of abandoned houses and grounds of the former army base. The abandoned chapels that had been used during the war served as vivid reminders that the symbols that had represented the presence of God in the lives of men going to fight a war also suffered from nonuse and abandonment. The people who had re-inhabited Camp Butner in order to work at the new mental hospital and other soon to be added institutions saw these chapels as reminders that they needed places to worship God. First Baptist Church of Butner was initially organized on September 19, 1948 following a revival conducted by Rev. Oren Bradley, as a mission of The Baptist Council of Durham and Vicinity. Rev. Bradley was to serve as pastor until January of 1949. Then know as Butner Baptist Church, with 37 charter members, the church met in Post Chapel No. 1 that was to continue to be the home of the congregation until a new sanctuary was completed in 1973. The Durham Council paid only $1500 to the War Assets Administration for the first home of the Butner Baptist Church and the state charged a minimal amount for the land upon which the church buildings were placed. In 1949 Butner Baptist was united with the Yates Association and in September of 1952 was received under the watchcare of the Flat River Association for later full fellowship. The church initially benefited from Ministerial Aid provided by the Baptist State Convention's State Missions Department to supplement the pastor's salary, but this was discontinued by the beginning 1958 when the church became self supporting and ceased to have Mission status. Shortly after the church was established, a building that had formerly served as a dining hall for Army troops stationed at the former Camp Butner was attached to the rear of the chapel to serve as educational space for a nursery and classrooms. In 1960 a new education building was completed with a second building, including a kitchen and fellowship hall, being added in 1967. On July 29, 1973, the congregation was led by Rev. David Peach from the Old Chapel No. 1 to the beautiful new sanctuary that continues to be used today. On June 13, 1993, the loan note for the sanctuary was burned. In early 1997, the church began the process of re-carpeting and re-upholstering the pews in the sanctuary and a re-dedication service was held on August 17, 1997. In addition, a new Fellowship Hall and activities building that includes gym facilities were dedicated on November 24, 2002. Included as part of the "Keep the Vision Alive" campaign for the construction of that facility was the complete furnishing of the facility with tables and chairs, a commercial grade equipped kitchen, recreation equipment and the paving of all parking lots on the church property. The church celebrated the note burning for this new addition and improvements on July 26, 2009. Currently the church family is considering the possibility of additional land acquisition for possible expansion as well as the purchase of additional means of transportation. First Baptist Church of Butner has been served by 10 pastors in its history as well as several interim pastors, directors of children and youth activities, music directors and musicians. Many of these individuals wee students of Southeastern Baptist Theological Seminary and later Duke Divinity School. Currently, and perhaps somewhat uniquely, the staff at the church, that includes the ministerial positions of pastor, youth director and choir director, as well as the church secretary, were all long time members of the church before being called by the church family to serve. FBC of Butner celebrated its 50th Anniversary on September 20, 1998 and is currently entering the 61st year of ministering to the needs of the community and beyond to include participation in domestic and international mission trips in cooperation with the Flat River Association, NC Baptist State Convention, Southern Baptist Convention and Cooperative Baptist Fellowship. Currently resident membership is 368 with an average attendance of 220+ in worship each Sunday.

2010 Annual Dedication

Mr. Johnny Riggan, member of the Island Creek Baptist Church, i Townsville, North Carolina, is not only a disciple of Christ but one of chosen missionaries. Johnny eats, lives, and breathes missions and h for many years. Home, family, church, and community are very important to Johnny, but his deep allegiance to foreign missions bega several years ago with a mission trip to Honduras in Central Americ Since our annual meeting in September 2010 and an early return trip the winter of 2011, Johnny has returned to Honduras over twenty tim He is already planning another return trip for the fall of 2011. I hea someone ask where he found the money to afford so many trips and Johnny said he had a magic jar. It seems the money he earns from h "bush-hogging," a retirement sideline, makes all this possible. Johnn says it is money well spent and wisely invested in the work of the Kingdom. Johnny continues to introduce many of us to missions an many in his church, including a grand-daughter and folks across the F River Baptist Association have made the trip to Honduras with Johnn over the years. And we, the members of the churches of the Flat Rive Baptist Association, recognize Johnny for his dedication to the work o our Lord Jesus Christ and for his love of both the people land country Honduras. And in our doing so do dedicate the Annual of the 217th Annual Session of the Flat River Baptist Association to our missionar Johnny Riggan.

FRBA GENERAL BOARD

The General Board of the Flat River Baptist Association, Inc. met three regular meetings during the past year with all the meetings held at West Oxford Baptist Church. BROTHERHOOD

The Baptist Men were busy this past year. The Men's/Women Banquet was held in January at Pleasant Grove Baptist Church. In February we collected Buckets of Hope for the Haiti Relief. The Region 4 Mission Rally met in March at Pittsboro, NC. and in August at Durham, NC. The West Oxford Baptist Men's group built and installed shelving for the CCM Hut. We also worked on a home in Creedmoor for Converting Hearts. In September we attended and assisted with the Wild Game Supper at Mt. Olivet Baptist Church. The October Region 4 Mission Rally met in Raleigh, NC. The Baptist Men also built several ramps through the Handy Man Ministries.

WOMEN'S MISSIONARY UNION

The 2009 Flat River Women Missionary Union began its new year with the continuation of the emphasis "Called to Love." Our leadership conference was held at Delrayno Baptist Church on August 18, 2009.

WMU continues to encourage our churches to support and participate in the weeks of prayers for the Heck Jones Offering, Annie Armstrong Offering for North American Missions in March, North Carolina Missions in September and the Lottie Moon Christmas Offering for International missions in December.

Our annual Baptist Men/Women Banquet was held at Pleasant Grove Baptist Church on January 22, 2010. Our guest speaker for the banquet was Jean Clary Bagley from Oliver Grove Baptist Church of Blackridge, Virginia. The music was provided by "Unashamed" quartet. Our meal was catered by Ted Wheeler of Southern Caterers.

On February 20, 2010 Amis Chapel Baptist Church hosted the CIA/GA Day Camp. The emphasis this year followed the theme of National Children Ministry Day, meeting housing needs. The children collected cleaning supplies for the Ronald McDonald House in Durham, North Carolina Baptist Children's Home and the Damascus house in Creedmoor. The missionary speaker was our own Faye Cannady from Botswana.

Our WMU Spring Tea was held at Peace's Chapel Baptist Church on February 21, 2010. The new WMU leadership team was installed at the meeting. Our special music was furnished by Daniel Hart of Peace's Chapel. Mr. Randolph Wilson of Rebuilding Hope was our guest speaker. Our mission project was collecting Bibles for Mr. Wilson's ministry. An afternoon of fun, food and fellowship was enjoyed by all.

On March 13, 2010 the Missions Friends Day Camp was held at New Horizons Baptist Church. The children enjoyed a morning of fun which included Faye and Alison Cannady as our missionaries. The children learned how the children in Botswana lived and helped the family. The children enjoyed making Bird Feeders and cards for the families at Ronald McDonald House. They also collected paper products for the Ronald McDonald House as their mission project.

West Oxford Baptist Church hosted the Youth Rally on April 24, 2010. There were 13 churches represented with 102 in attendance. The event included music by the Jonathan Holiday praise and worship group from Wake Forest. Dr. George Robinson from Southeastern Baptist Seminary brought the evening message. The youth collected food for the Baptist Children's Home for their mission project.

BELARUSSIAN CHILDREN'S MINISTRY

In 2010 we had only four Belarussian children and one chaperone who came to Flat River. Even though the group was small, those who came to the USA had a great time and received much needed dental care plus medical and eye examinations. Your continued support by prayer and contributions are needed. Thank you very much. –Pello Duncan

TIME AND PLACE

The 218th annual session of the Flat River Baptist Association, Inc. is scheduled to meet on Monday, September 19, 2011 with Enon Baptist Church beginning at 4:00 PM. The annual session for 2016 is scheduled with Creedmoor First Baptist Church.

Mrs. Linn Kapus

BUDGET PROMOTION

The Flat River Baptist Association, Inc. is supported by the prayers and financial support of the member churches. We still have a debt on the purchase of the new office building at 118 W. McClanahan St. We ask that the churches continue to support the association so that our mission endeavors will accomplish even greater works in the future. We hope that each church will consider giving at least 4% of their undesignated receipts, if they are not presently doing so.

A copy of the 2010-2011 budget was enclosed in the packet at the annual meeting held at Mt. Olivet Baptist Church.

CHURCH AND COMMUNITY MINISTRIES

Colossians 4:2-6 "Devote yourselves to prayer, being watchful and thankful. And pray for us too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Pray that I may proclaim it clearly, as I should. Be wise in the way you act toward outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you will know how to answer to everyone."

These words written by Paul apply to each of us as Christians today. They are words of encouragement as well as instruction. Whatever we do in God's Name, from start to completion, should be covered in prayer. Although our work for Him will not be finished until the end of time, we can praise Him for small steps of accomplishment. May God keep our eyes open to the opportunities He places before us and equips us to carry out His work. "May we be kind to everyone as we don't know what kind of battle they may be involved in." May He give us wisdom to say and do the right thing. May we lean on Him in the goods times as well as the not so good times. What a comfort and encouragement to know that He is always there. To God be the glory!

As CCM Director, I am so thankful for the support shown this ministry by the people of the Flat River Baptist Association and the community. I can truthfully say that this ministry has the most devoted volunteers of any ministry in our area. You are a blessing to CCM, to me, and to the people we serve in Christ's name. Those who cannot physically come and work, support the ministry through prayer and donations which also blesses CCM. We all work together for the good of the kingdom!

Inasmuch Day was observed at CCM in late October 2009. Over 300 coats were given away. Each coat had a tract with the plan of salvation tucked in a pocket.

The 2009 Christmas Toy Ministry started with more than 60 children, youth, and adults coming to CCM on the Saturday after Thanksgiving to fill over 700 stocking bags. Almost 300 families applied for Christmas assistance on application day at the Flat River Office. Parents came to the Armory the following week and chose gifts for 679 children! At least 5 parents made professions of faith. In other Christmas ministries, 1500 bars of soap were collected for the Women's Prison "Christmas Red Box." Twenty Murdoch and 11 Central Regional residents received gifts from Flat River churches. Over 850 Samaritan Purse "Shoeboxes" were collected for Operation Christmas Child. The children of the Central Children's Home received Wal-Mart gift cards for Christmas from CCM. Many thanks are given, in the Name of Jesus, to the churches, individuals, and businesses for making all of this possible.

On a sad note in the fall of 2009, George, Faye and Allison Cannady were called back to the States by the International Mission Board as funds were not available to keep them on the mission field. Again, Flat River churches pulled together to raise funds to help them ship their belongings home, had poundings to fill their cabinets with food staples, household goods and furniture were provided as well as a house to live in.

In January 2010, the tiny country of Haiti was struck by a devastating earthquake. Flat River churches responded quickly by filling "Buckets of Hope" with food for the Haitian people. 177 buckets were carried to the Tar River Baptist Association for deliver to Raleigh. CCM also sent $2,300 to NC Baptist Men to help build a home for a Haitian family.

Flat River churches collected food, paper products, and cleaning supplies for the Baptist Children's Home. Several churches took special offerings to purchase Psalm 91 Bandanas for troops. Pop top tabs continued to pour in for the Ronald McDonald House. The 14th annual Back Yard Bible Club was held at Oxford Housing Authority with a total enrollment of 92 children and 32 volunteers. We praise God for the two professions of faith! The children of the Central Children's Home received Wal-Mart gift cards on their birthday from Flat River Churches or CCM. The Baby Moses Closet helped many moms and grandmothers with essentials for babies. CCM, in partnership with the schools, provided clothing for many children during the year. CCM gave school supplies to Penn Ave Baptist Church for their "Back to School" party for area children. Many families and individuals received good, used furniture and household goods, thanks to the people of the Flat River Baptist Association and

the community. The CCM Thrift Shop, which operates 10 months out of the year, had another successful year. Funds generated by the Thrift Shop help fund mission/ministry projects in our communities, our state and around the world! Thank you for your donations in support of this shop.

We thank God for the opportunities that He gives us to serve Him through CCM.

NORTH CAROLINA MISSIONS

The churches in the Flat River Baptist Association, Inc. observed September as a Month of Prayer for North Carolina Missions and participated in the North Carolina Missions Offering (NCMO).

The theme this year is "Every nation....our generation" based on Acts 1:8. North Carolina is our Jerusalem and the world is our "ends of the earth." The population of North Carolina is growing, and with that, more than 200 language-ethic groups are already in the state. There is a growing missions challenge to reach the 5.5 million lost people that resides here. The NCMO has responded by starting new churches. Ninety-eight new churches were started in 2009 and half were among the language-ethnic groups. Needs are being met through the NCMO – one is Disaster Relief which can mobilize 40,000 NC Baptists for quick response. Another way is through two free dental and medical care mobile clinics. NCMO also provides funds for many Gospel-centered ministries.

The Flat River Baptist Association has stepped up to the challenge of "begin at home" and then reach beyond. Through offerings and "helping hands" needs are being met. But much more is needed, for the "need is great."

DAMASCUS HOME

The ups and downs of ministry are what keep the work exciting. Over the past year we have had our fair share of ups and downs but God is forever faithful. This year we have completed the search for a new Executive Director. Don Sharp comes to us from Ebenezer Baptist in Durham. After working in social services he has embarked on a new journey with Damascus Home. Our goals over the next year continue to circle around the fact that we want to do nothing without the prompting of the Holy Spirit.

Another year has passed and we are amazed at the faithfulness of the churches of the Flat River Baptist Association. Again, our human minds and budgets projected a loss – but God is faithful. He provided for our needs, some wants and let us finish the year in the black by $154.86. It is amazing to see how God has used your churches and our community to touch the lives of the men who call Damascus home. As we look to the New Year we are earnestly praying that God will lay out clear direction for us to continue to maintain and expand upon the ministry in which He has called us to. Thank you from the bottom of my heart for your partnership and love for this ministry.

INTERNATIONAL MISSIONS

In 2009, churches and individuals responded to the International Mission Board's (IMB) theme "Who's Missing? Whose Mission?" The emphasis led people to respond personally to the call to pray, give and go. Missionaries and volunteers crossed geographic barriers as they continued strategies to plant churches within affinity groups and focus on unreached people.

We as members of the Flat River Baptist Association are each called upon to pray for our international missionaries as they serve in cultures that are different from their homeland and pray for an abundance of God's love and protection to surround them. Pray that the work of the missionaries may grow and that they may have eyes to see the needs around them. Specifically, let us not forget those couples who are serving that have ties with our FRBA. They need our continuous prayers.

In spite of increased urgency to reach the peoples who are missing from God's family, Southern Baptists took a hit from continued economic hardships in the U.S. IMB trustees made the painful decision to reduce the number of missionaries being sent and temporarily suspended programs such as International Service Corps and the Masters Program. This initiated a gradual reduction in missionary numbers. IMB remained committed to its pledge not to recall any personnel or lay off home office employees, but to accomplish the reduction of personnel through completions of service, retirements and resignations.

We need to continue our commitment of financial support. The Lottie Moon Christmas Offering is collected each year to give additional support to our missionaries.

Members of the FRBA are encouraged to visit the IMB official website- www.imb.org. It includes missions articles, directory of missionaries, overview of people groups and service opportunities.

CHRISTIAN EDUCATION

Liason between the N. C. Baptist State Convention and the five remaining affiliated educational institutions (Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate) is now provided by the Christian Higher Education Special Committee. In the new relationship which now exists, the Convention continues to provide scholarships as funds are available to undergraduate full time students who are members of a church affiliated with the Baptist State Convention. During the 2010-2011 academic year, 720 Baptist Scholarships were awarded totaling $1,130,550. Interested students can access online applications for scholarships by logging on to www.myncbaptist.org webpage. Numerous families have shared how economic difficulties would have prevented them from affording the tuition at affiliated universities were it not for the NC Baptist Scholarship Program. Through the gifts of generous NC Baptist to the Cooperative Program, students are being prepared to impact their culture, community and world for Jesus Christ. We also invest in Christian higher education through Theological Education Grants awarded to students attending Campbell University School of Divinity and the Christopher White School of Divinity at Gardner-Webb University; as well as to students attending some seminaries and divinity schools who meet the approved guidelines. Such contributions greatly contribute to the ability of these men and women who possess both a quality of Christian education and a Christian worldview of which the churches of our Convention can be proud. Let us continue to work and pray together to find ways to promote, support and encourage both Christian higher education and theological education for North Carolina Baptist.

BAPTIST CHILDREN'S HOMES

LaShanda is thankful. Her path to the future is brightly marked. This past year the young woman walked across the stage and received her college diploma. LaShanda dreams of operating her own day program to help adults with disabilities. Her possibilities are wide open. LaShanda could not have imagined this future years earlier. "I felt all hope was gone." Since age five, LaShanda suffered abuse from the adults she trusted the most. She remembers going to bed so hungry she could not rest. Her past includes a drug-addicted mother, the inappropriate advances of an adoptive parent, and feelings of being unlived and abandoned. The darkness dissipated once LaShanda came to Baptist Children's Homes. At Mills Home in Thomasville, Christian houseparents showed her the love and care she needed. Most importantly it is through BCH's Christ-centered ministry that LaShanda encountered God. Her relationship with Jesus empowered LaShanda to put the past behind her and forge ahead towards a bright future.

Today, LaShanda is active in her church leading the praise team and serving as a youth leader. She is grateful to North Carolina Baptists for their unwavering support and to BCH where she embraced a loving Savior.

"I am thankful to everyone for believing in me and for letting their love shine," LaShanda says. "Thank you, North Carolina Baptists, for giving me a future."

Baptist Children's Homes of North Carolina observed its 125th anniversary, or "Quasquicentennial," on November 11, 2010. In preparation for the historic occasion, BCH president Michael C. Blackwell formed the "Committee of 20," a group of staff members and trustees leading a year-long celebration of events to commemorate BCH's milestone in ministry. On June 15 all current residents and all staff from BCH's statewide locations gathered together for "Family Gathering 3," a celebratory day at Mills Home in Thomasville, the organizations's first residential campus. The week of the annual session the "Growing Hope Tapestry" comprised of approximately 10,000 squares of artwork created by NC Baptist, was displayed.

Camp Duncan is a reality thanks to more than 2,000 church volunteers who lent their talents and resources to renovate the 700 acres of property in Aberdeen. This new wilderness camp for at-risk girls was constructed through volunteer efforts. A final gift from the Gay T. and Haskell A. Duncan Foundation, which provided the property for the project, completed BCH's fund-raising campaign for Camp Duncan, that was officially dedicated on October 30, 2010.

In 2009, 65 children in Baptist Children's Homes' statewide care accepted Jesus. BCH remains committed to Christ-centered ministry through all its programs to children and families.

THE BIBLICAL RECORDER

The Biblical Recorder is a source of knowledge, inspiration, information and ideas for ministry – the newspaper for North Carolina Baptist since 1833. Because the best indicator of an informed, involved and animated membership is an informed leadership, it is vital that those in your congregation who lead the mission, education and worship areas of your church be informed leaders. As a "thank you" to North Carolina Baptists for their Cooperative Program support of the *Biblical Recorder*, we send each church a copy of the newspaper. But your leadership team of Sunday School Director, men's and women's mission leaders, deacon chair, other church staff and worship leaders all need also to receive the paper. Readership of our online version at www.biblicalrecorder.org also continues to grow. –Johnny Brummitt

NORTH AMERICAN MISSION BOARD

The harvest is plentiful, but the workers are few. Ask the Lord of the harvest...to send out workers into His harvest field. Matthew 9:37-38.

The North American Mission Board exists to proclaim the gospel of Jesus Christ, start New Testament congregations, minister to persons in the name of Christ, and assist churches in the United States and Canada in effectively performing these functions.

It also assists Southern Baptist in their task of fulfilling the Great Commission in the United States, Canada and their territories through a national strategy for sharing Christ, starting churches and sending missionaries, in cooperation with Acts 1:8 Partners.

Supported through the Annie Armstrong Easter Offering and the Southern Baptist Cooperative Program, the North American Mission Board is a dynamic Partner in the Harvest for our Lord Jesus Christ!

NORTH CAROLINA BAPTIST HOSPITAL

In 1919, God inspired the leaders of the Baptist State Convention of North Carolina (BSCNC) to build a hospital that would extend the healing ministry of Jesus Christ. Expert medical care and compassion for patients in need formed the foundation for the 88-bed hospital that opened in 1923. In 2010, the founders' legacy continues to unfold. North Carolina Baptist Hospital (NCBH) is an integral part of one of the nation's leading academic medical centers, Wake Forest University Baptist Medical Center. We are humbled to see God at work, bringing healing and hope to those we are privileged to serve.

Highlights of North Carolina Baptist Hospital:

- **Ranked as one of "America's Best Hospitals" by *U.S. News and World Report* (2009-2010).**
- **2009-2010 "Best Doctors in America" include 215 physicians from Wake Forest University Baptist Medical Center.**
- **Holds the God Seal of Approval from the Joint Commission, the nation's accrediting body for health care quality, with our Stroke Center, Heart Center and Hip and Knee Replacement programs receiving special recognition for the highest standards of care.**
- **Selected by area residents for the National Research Corporation's "Consumer Choice Award" as the top choice for hospital care.**

For an appointment with one of our physicians, please contact HEALTLH ON-CALL at 800-446-2255 or 336-716-2255. Please visit our brand new website, www.wfubmc.edu, to learn more about our services.

North Carolina Baptists generously gave $663,013 to the Mother's Day Offering in 2009! Your gifts change fear into hope, helping our patients in serious financial need pay their hospital bills. They "fall between the cracks," having too much for government assistance but not enough to pay their hospital bills. Fearing financial disaster, they receive a letter from NCBH that says, "Your hospital bill has been paid by compassionate and mission-minded NC Baptists in the name of Jesus Christ and His love."

Ministers, and their families, serving NC Baptist churches receive a subsidy of up to 25% for their hospital bills for care received at Baptist Hospital.

NORTH CAROLINA BAPTIST FOUNDATION

At the North Carolina Baptist Foundation we believe everything we do will immediately or eventually impact Kingdom causes because our mission is to increase awareness among North Carolina Baptists of the importance of Christian estate stewardship as a vital means of financially undergirding churches, institutions and mission efforts on a permanent basis. More than ever before resources are needed to evangelize, to grow disciples and to mobilize God's army. We see the work of the Foundation as an important part of meeting the mission challenges that are before us.

This year the Foundation marks a milestone as we celebrate our 90th birthday. We're the oldest state Baptist Foundation, officially established by the Baptist State Convention at the annual session in 1920. After 42 years, in 1962, the Foundation Board of Directors employed the first two staff members, an executive director and an administrative assistant. By that time assets had reached a quarter of a million dollars. By 1972, when Ed Coates was employed as the second executive director, assets had grown to $2.6 million. When Ed retired in 1997 assets had reached $70 million. In the last 12 years assets under management have grown to $133 million.

The Lord continues to bless our ministry! Even in the midst of the recent recession we had contributions to accounts in 2009 of $5.4 million. Even more impressive is the fact that we distributed $1.8 million to individuals through charitable trusts and $6.4 million to Christian causes.

Even as we approached our 90th year, the Foundation had the joy of beginning a new ministry in 2009 when we established North Carolina Baptist Financial Services. Through May 2010 our Loan Committee has approved 18 loans totaling nearly $15 million. Individuals, churches, and associations have invested over $9 million in our Church Growth Investment Fund that provides funding for the loans. We are thankful for what the Lord has done through this ministry in the past 90 years, and we eagerly wait for what He will do through our ministry in the next 90 years.

BAPTIST RETIREMENT HOMES

"Those who are planted in the house of the Lord shall flourish in the courts of our God. They shall still bear fruit in old age; They shall be fresh and flourishing." Psalm 91:13-14

At Baptist Retirement Homes, our mission is to make life for older adults "...the best of times." For over 59 years now, we have been giving consistent, compassionate care because we believe that each individual is a unique child of God and as such should be given a chance to remain fresh and to flourish!

- **Daily activities designed to refresh and renew body, mind and soul.**
- **Baptist chaplains stationed on each campus to assist with spiritual vitality.**
- **Financial assistance to some 40% of "Homes" residents.**
- **Annual Benevolent care in excess of $2 million, helping to provide the opportunity for lifetime care to every resident, and making admission possible to many of the poor elderly in our state.**

At Baptist Retirement Homes, we work to keep those among us who have been "planted in the house of the Lord" the longest "bearing fruit." We are grateful to generous North Carolina Baptists and Baptist churches for their help in making our ministry possible.

Updated History of West Oxford Baptist Church

West Oxford Baptist Church, located at 101 Pine Tree Road, Oxford, NC was featured in the Flat River Baptist Association Annual in both 1973 and 1992. This is an updated history for the ensuing period through 2010.

Rev. Larry Zaky resigned as pastor effective February 4, 1993 and Rev. Cky Carrington became pastor on May 16, 1993, serving until May 1995.

Gaylon Moss, who grew up in West Oxford Baptist Church, was licensed to the gospel ministry on July 4, 1003. He presently serves with the North Carolina Baptist Convention as Volunteerism and Disaster Relief Coordinator.

Rev. W. James Whitehead came as pastor on January 1, 1996 and served nearly ten years, resigning October 31, 2005.

A new Nursery/Preschool addition was completed and dedicated on Homecoming Day, October 18, 1998. At a special service held October 9, 2005, Pattie Mae Thomerson was honored for her 52 years of dedicated nursery services by naming this department "Miss Pat's Nursery."

As a part of the Flat River Association sponsorship and the Belarussian Children's Ministry, Olga Andreysteva was our first child in this program. She arrived on July 15, 1998, for a six week stay hosted by Pello and Marie Duncan. This ministry has grown each year to date; ten children and five chaperones have been welcomed into our church family. Pello and Marie travel to Belarus each winter and minister to many as they seek to spread God's love and make plans for the next summer's visitors.

A Baldwin Baby Grand piano was presented to the church by Shirley Newton who had received it as a gift from Ben Haugen, and it was first used in services on August 18, 2002. The pulpit area had been reconstructed to accommodate this wonderful addition to the music program of the church.

Through the Lord's leadership and Pastor Whitehead's love of missions, several members received full training and served on a number of Disaster Relief missions including service at Ground Zero following 911. The church became an approved location for the Disaster Relief program in 2002.

The youth group, lad by Erin and Boyd Short, made a trip to Maine to assist Barry and Missy Murray, our missionaries with the North American Mission Board, as they were preparing to plant a church in that state.

Rev. Wesley T. Garner, Jr. was selected by unanimous vote to become the fourteenth full-time pastor beginning September 1, 2006. Under his leadership, the church has embarked on the Seasons of Ministry approach, focusing on PRAYER in Spring, EVANGELISM in Summer, DISCIPLESHIP in Fall and MISSIONS in Winter.

The first mission to Red Springs was January 2009, with fourteen members participating and then in January 2010, twenty served on the second trip there. Justin Carter, Youth Minister, took a group of young people on their mission project to Red Springs in August of 2009.

A much anticipated trip to Haiti in March 2011 will be lead by Pastor Wes and five WOBC members will serve along with fellow members from the Flat River Baptist Association.

During December 2009 and 2010, members have traveled to Charlotte to prepare shoe boxes for shipment at Operation Christmas Child headquarters.

On October 10, 2010, the church held its Centennial Celebration. Organized in 1910 with 13 charger members, the church today has an enrollment of 320 members. We celebrate a century of believers working together for the glory of our Risen Lord and press forward to accomplish even more as God leads and is given the glory and praise for all things.

DEDICATION

James Bean

2011 Annual Dedication

The 2011 issue of the Flat River Baptist Association Annual is dedicated to one of the most humble servant-minded disciples I know…James Bean of Poplar Creek Baptist Church. He is a familiar sight at CCM's Annual Toy Ministry. In fact, for years James plans and takes his personal time and vacation in order to work with his friends at CCM. James is a dedicated member of his church and can always be found in his own personal spot on Sunday morning right down front on the right. James is an active member of Baptist Men and has done Disaster Relief work as far away as the Gulf Coast following Hurricane Katrina. James Bean is a "key-man" when it comes to what makes Flat River Baptists so special. God bless you James in all your ministries.

REPORT SECTION

FRBA GENERAL BOARD

The General Board of the Flat River Baptist Association, Inc. met three regular meetings during the past year with all the meetings held at West Oxford Baptist Church. At each meeting various department directors, ministries and the Associational Missionary gave reports. A complete copy of each meeting is on file at the association office. Mr. Thornton Stovall, moderator, presided over each meeting. Following is a summary/highlights of the business conducted at these meetings:

a. Dr. Fred Knott, treasurer, presented the financial condition of the association a little unstable at present.

b. The Finance Committee presented a contingency plan for the Operating Account of the association.

c. The Finance Committee gave the Budget Report for 2011-2012 with a $20,950.00 cut from 2010-2011 Budget.

-Mr. Thornton Stovall

EXECUTIVE COMMITTEE

The Executive Committee of the Flat River Baptist Association, Inc. held three regular quarterly meetings and one called meeting during the past year prior to the General Board meetings. The called meeting was with FRBA Officers, past moderators, and past Director of Missions concerning options concerning the financial status and other situations of the association. Any recommendations are listed in the General Board Report.

-Rev. Cam Ford

BELARUSSIAN CHILDREN'S MINISTRY

The group was small this year with only four children and a chaperone. Even though the group was small, the visit to the United States was helpful to each of them. It allowed them to escape the radiation contamination for six weeks, get a medical check-up, dental care and an eye examination. Thanks to all the professionals for donating their services. The children really enjoyed the fruit because quality fruit is very expensive in Belarus and of course, they had some fun things to do while here. Efforts are already underway for summer 2012.

–Pello Duncan

TIME AND PLACE

The 219th annual session of the Flat River Baptist Association, Inc. is scheduled to meet on Monday, September 18, 2012 with Concord Baptist Church beginning at 4:00 PM. The annual session for the year 2017 is scheduled with Tungsten Baptist Church.

-Mrs. Linn Kapus

BUDGET PROMOTION

The Flat River Baptist Association, Inc. is supported by the prayers and financial support of the member churches. We still have a debt on the purchase of the new office building at 118 W. McClanahan St. We ask that the churches continue to support the association so that our mission endeavors will accomplish even greater works in the future. We hope that each church will consider giving at least 4% of their undesignated receipts, if they are not presently doing so.

A copy of the 2011-2012 budget was enclosed in the packet at the annual meeting held at Enon Baptist Church. This budget was studied very closely and some cuts were initiated.

2 Thessalonians 3:13 "And as for you, brothers, never tire of doing what is right." Working together with fellow Christians increases the blessing as God gives us many opportunities to build up His Kingdom. Serving God is a privilege which requires action, not standing on the sidelines watching. As CCM Director, I am very thankful for God's opportunities and for the volunteers who take action to advance the gospel through the meeting of physical needs! As Christians, we know it is not just giving a glass of cold water; it is giving it in Christ's Name!

Inasmuch Day 2010 was sunny yet cool – a perfect day to give away gently used coats and jackets with gospel tracts tucked in a pocket. Over 350 garments were given away which provided warmth for the body and nourishment for the soul!

Twenty-two adults traveled to Charlotte and enjoyed working at the Operation Christmas Child Processing Center. Thanks to Tabbs Creek for the use of their bus and Wayne Overton for driving.

The 2010 Christmas Toy Ministry started with more than 60 children, youth, and adults coming to CCM on the Saturday after Thanksgiving to fill 680 stocking bags. Two hundred eight-two families applied for Christmas assistance on application day which was held at Pen Ave. Baptist Church. Parents came to the Armory the following week and chose gifts for 718 children! Fourteen parents made professions of faith. Toy Ministry recipients "gave back" by donating 593 pounds of food for ACIM. Many families were blessed by God because of the loving kindness of Flat River churches and the community.

In other Christmas ministries, 1500 bottles of shampoo were collected for the Women's Prison "Christmas Red Box." Twenty Murdoch and eleven Central Regional residents received gifts from Flat River churches. Over 749 Samaritan Purse "Shoeboxes" were collected for Operation Christmas Child. Eleven children at the Central Children's Home received Wal-Mart gift cards for Christmas from CCM. Wal-Mart gift cards and school supplies were also given to the fourteen students at Whitaker School by CCM.

Two teams from the FRBA went on a mission trip to Haiti, one in January and the other in March. Evangelistic outreach was accomplished through medical clinics and home construction. Many supplies were collected and donated through CCM for these trips. GA's and CIA's who participated in Children's Ministry Day made salvation bracelets for the Haiti Mission Teams to dispense while in Haiti. God blessed me with eleven opportunities to share my experiences from this trip through power point presentations. Bobby and Wanda Temple continue to serve God in Haiti as missionary hosts for incoming mission teams. Supplies were also collected for the Honduras Mission trip, a cause through which Johnny Riggan of Island Creek, and James Tingen of Hester are so dedicated to serving God.

Back Yard Bible Club was a wonderful blessing for both children and adul It was a first time experience for most of the adult leaders.

Overall enrollment was lower this year with a total of 57 children. However, we had over 30 volunteers, many of them youth. The sweetest blessings though, were the professions of faith made by nine children. Pray for their continued guidance and growth in the Lord. And we give God the glory for allowing us to be His stepping stones. The children enjoyed a very animated presentation by 3/20 Water Sports Ministry to end the week.

World Changers ere sponsored by Rebuilding Hope Ministry in our neighboring Cullom Association for a week in July. CCM partnered with Rebuilding Hope to sponsor a team as did Poplar Creek and Island Creek Baptist Churches. The CCM team replaced a roof on one house in Vance County then joined another team to finish roofing a larger house in Henderson. Meals for the CCM team were provided by New Horizons, Peace's Chapel, Rock Spring and West Oxford Baptist Churches.

CCM partnered with Greater Joy Baptist Church and Pastor Ronnie Morton as the call was put out for back packs and school supplies for their "Back to School Revival." Over 100 book bags were donated as well as supplies to help fill them.

Although the poor economy affected donations given to CCM this past year, God provided many opportunities to supply needy families with household goods, furniture and mattresses. We gave what we had on-hand supplementing that with prayer for the families. People were understanding and thankful for what they were able to receive. CCM and FRBA churches partnered to make sure each child at the Central Children's Home received a birthday gift. The Baby Moses Closet continues to help the families with their "bundles of joy." Clothing and school supplies are provided for children through CCM's partnership with the school system.

CCM continues to promote and give support to other ministries/organizations such as the Belarussian Children Project, Damascus Home, Families Living Violence Free, Baptist Children's Home Food Round-Up, Rebuilding Hope, ACIM, 3/20 Water Sports Ministries, Ronald McDonald House, Operation Bandanas, Converting Hearts Ministries, Rotarian Million Meals Program, to name a few.

It is my prayer that CCM will glorify God in all that is done through this ministry and the Association.

DAMASCUS HOME

In the past year much has transpired for the ministry of Damascus Home and the men who have come to be part of the ministry found at 101 E. Church Street in Creedmoor. Since its beginning in April 1994 the ministry has strived to not only assist men in ordering their lives but more importantly helping them reconcile. Reconcile with the Savior whom died for each of them ...and us. Reconciliation takes time, it is messy.

At our last Annual Session of FRBA many of you had the opportunity to meet our Executive Director, Don Sharp. Don brought knowledge of social services and the pastoral ministry to assist the men in their journey at Damascus Home. This past week Don announced to a gathering of our Board that he would no longer serve as our Director effective September 17. We are thankful for the time that he served alongside of the ministry partners and for the contribution he has made to the lives of the men at Damascus.

The major news of 2011would be that of reconciliation of our ministry's values, goals and mission. On September 9 Damascus entered a period in which we ceased admittance of men for a short time. Over the last several months we have found ourselves as a ministry drifting from the plumb line of what Christ has called us to do in our ministry. This is the messy part of reconciliation. The Executive Committee of Damascus made the decision to not take applications during the month of September 2011 so that we may reorder ourselves. During this time we will be looking at policy matters, financial planning, physical improvements of the home and most importantly the spiritual integrity and fitness of the ministry. Our plan is to begin accepting applications again on October 1 potentially having new residents arrive by mid-October.

Though some of this may be confusing rest assure that the Board of Directors have committed their plans to prayer and the will of God. We do not feel that God is done with ministry at 101 E. Church Street or wherever the Damascus ministry reaches. We ask that you commit to pray for the ministry like never before, we ask that those who support us financially would continue to in light of our residents arrival in October and for those who have never been involved...we ask you to become a Ministry Partner.

Thank you so much for the opportunity to serve alongside of you. You are the heart of the ministry of Damascus and your support is invaluable.

INTERNATIONAL MISSIONS

As a follower of Jesus, we are part of the task to fulfill the Great Commission. The IMB's 2011 Annual Theme is: "His Heart, His Hands, His Voice." Jesus has commissioned us to be His heart, His hands, His voice.

Missionaries and volunteers crossed geographic barriers as they continued strategies to plant churches within affinity groups and focus on unreached people. Over 6,000 people groups – 1.7 billion people – still live with little or no access to the Gospel. We have unique challenges and opportunities to reach the world. Our churches must take responsibility for helping reach unreached people groups. We must pray more intentionally and give more sacrificially. Actual contact with a missionary makes the concept of giving and praying for missions more relevant. Visit the official IMB website – www.imb.org – for information, contacts, materials and ideas to assist in becoming more involved.

We as members of the Flat River Baptist Association are each called upon to pray for our international missionaries as they serve in cultures that are different and pray for an abundance of God's love and protection to surround them. Specifically, let us not forget those couple who are serving that have ties with our FRBA. Ron and Marjorie Carothers (formerly of Oxford Baptist Church) continue to serve in Costa Rica. Fletcher Dickerson and wife (he has family connections at Tabbs Creek Baptist Church) continue to serve in Ecuador. Danny and Debbie Evans (formerly of West Oxford and Amis Chapel Baptist Churches) are serving in Cambodia. Sam and Melody Harrell (he is nephew of FRBA treasurer Dr. Fred Knott, son of Rev. ANNUITY

During the past year the GuideStone Team of the Baptist State Convention of North Carolina worked closely with GuideStone Financial Resources of the Southern Baptist Convention to provide ministry to the more than 4,000 churches in our state convention. The following information is a summary of those joint efforts.

1. Retirement Planning:

*** Funding Rate Change—during this past year the annuity funding rate was changed for the first time in many years because of changing economic times. Numerous conferences were conducted to**

make sure that those persons nearing retirement were informed and given the opportunity to annuitize a portion of all of their account at the 6% rate.

*** State Convention Protection Benefits – for 2010 the following disability and survivor benefits were in place for retirement participants—119 persons received $641,666.85 in disability benefits and 38 deaths resulted in a distribution of $409,544.94 to beneficiaries.**

*** GuideStone Funds – ranked number eight among their 212 peers by fi360 Fund Family Fiduciary Rankings. The Extended Duration Bond was ranked number 1 among its 114 peers.**

*** Guided Planning Services – the first full year of providing financial investment advice to retirement participants has been well-received.**

2. Insurance:

*** New Health Care Reform Law – GuideStone continues to provide ongoing information to churches as the new health care reform law is developed for full implementation by 2014.**

*** Multiple Health Care Insurance Options – churches are given multiple options as they are strongly encouraged to provide health care insurance as a benefit to staff.**

3. Staff Compensation:

***A new brochure entitled Compensation Planning Guide has provided church committees and staff with a tool to provide appropriate structure of equitable compensation administered in the most effective way to satisfy legal guidelines.**

*** The 2010 Compensation Study has been widely used to assist churches in the establishment of equitable compensation for church staff compared to churches of similar size.**

4. Mission Dignity:

***GuideStone Financial Resources in Dallas continues to provide financial assistance to those elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one time assistance through Mission:Dignity. Over 200 persons from North Carolina received financial assistance through this ministry last year!**

BAPTIST CHILDREN'S HOMES

Kourri is always smiling. The teen rarely appears glum. Her enthusiasm for life, family, friends and her future, overflows. "Everybody has ups and downs," Kourri says, "Today, my ups are all about Jesus." Kourri's life has changed abundantly since coming to live at Baptist Children's Homes in 2009. Before, Kourri smiled very little. Her family lost everything in Hurricane Katrina. Kourri moved with her father, step-mother and sisters from their home in Louisiana to North Carolina. But instead of a new start, turmoil

developed within the family. Kourri became angry and depressed. Needing help, Kourri's father and step-mother turned to Baptist Children's Homes. There, things began to change as the Christian houseparents and staff cared for Kourri by showing her God's unfailing love. But the most important transformation in Kourri's life occurred on November 22, 2009; it was the day Kourri accepted Christ as her Savior. "My life has drastically changed,: she says. "I no longer desire to follow anyone but Jesus." And through Baptist Children's Homes, Kourri's relationship with her family has been healed. Kourri's faith shines as brightly as her smile. She openly shares her faith with others. "I encourage other people to follow Jesus."

Kourri's inspirational story is the centerpiece of Baptist Children's Homes Annual Offering. In 2010, 74 residents accepted Jesus as Savior! Baptist Children's Homes of North Carolina observed its historic 125th year anniversary on November 11, 2010.

The exceptional quality of Baptist Children's Homes statewide ministry and services was officially confirmed in February 2011 when the organization received its reaccreditation by the Council on Accreditation. Reaccreditation means BCH has met the highest national standards and is delivering the best in quality service.

Boys and girls living at BCH know whenever they sit down for a meal, the delicious food that fills their plates was provided through the generosity of North Carolina Baptists with the "Food Roundup."

The dream of providing a residential wilderness camp to help at-risk girls has come to fruition. With her arrival on February 28, 2011, fourteen-year-old Katie became the first girl accepted at Camp Duncan in Aberdeen.

NCBAM makes an impact. NC Baptists are making a difference everyday in the lives of aging adults as NCBAM team members work to close the gap between those in need and people willing to help. NCBAM rejoices to hear that some of these differences have been eternal as aging adults have accepted Christ.

On October 1, 2010, the Developmental Disabilities Ministry turned ten years old. The ministry began in Winston-Salem and has blossomed into nine homes across North Carolina for men and women. Throughout the decade, this much-needed ministry has offered hope and peace to the family members of special needs adults. Families know that their loved one will always be cared for and their needs will be met. More information about the ministry is on the web-site www.hereismyhome.org.

Thanks to Cooperative Program, fees are affordable and no one is turned away because they can't pay.

he Center for Congregational Health provides consultation ministries d leadership training to churches and clergy.

- When a NC Baptist church nearly split, the deacons contacted us for assistance. We sent an experienced Baptist pastor, trained in conflict management, to re-establish trust and facilitate healing of broken relationships. NORTH CAROLINA MISSIONS

The churches of the Flat River Baptist Association, Inc. participated in th North Carolina Missions Offering (NCMO) along with other Baptists statewide. This year's NCMO theme was "Compelled...By Christ, By Love, By Lostness," and the offering goal was $2.1 million.

NCMO funding aids the NC Baptist Men (NCBM) ministries and their partnerships, as well as associational missions, ministry projects and church plantings. Volunteers from across our association serve in NCBM disaster relief ministry and many other ministries. This year, through the NCBO, th North Carolina Baptist Men have provided disaster relief after a series of tornadoes stormed across NC. Within a week after the storms, the NCBM recovery efforts were underway in 13 locations across 12 counties.

This summer, North Carolina Missions Offering provided funds for construction, Vacation Bible School, praying walking and service projects. One such project was Deep Impact. This project provided several mission weeks that gave middle and high school students opportunities to serve and share the Gospel.

NCBO funds also provided International avenues that allowed North Carolina Baptists a way to share their faith and talents overseas. Some of th countries that Baptist served are Guatemala, Cuba, India, Haiti, Kenya, Armenia, Honduras and Ukraine.

The Flat River Baptist Association, through its giving to the NCMO, helped answer many spiritual and physical needs of people in our state, the nation, and the world, With the help of the NCMO, North Carolina Baptist volunteers are "the hands and feet of Jesus."

WOMAN'S MISSIONARY UNION

The theme for the 2010-2011 Women's Missionary Union of North Caroli (WMU-NC) is "Unhindered" with the emphasis to running unhindered towa the mission life we were charged with by the Great Commission. The words from Hebrews 12:1 give us courage to lead as we stay in the race.

On January, 2011, WMU-NC celebrated its 125th birthday. FRBA WMU came together on that day to celebrate with a birthday cake and punch; attendees brought canned food for ACIM Food Pantry and socks for CCM. message from Ruby Fulbright, Executive Director, WMU-NC was read: "Thank you for 125 years of mission education, missions involvement, hands work and faithfulness through the years."

The FRBA WMU participated with the Baptist Men at the annual Men/Women Mission Banquet at Pleasant Grove Baptist Church with music and an engaging speaker. This event was very well attended as always.

Our Spring meeting was hosted by Stovall Baptist Church and the Women on Missions group. We celebrated again with cake, cupcakes and punch; the ladies were wonderful hostesses. Our speakers were from the FRBA Haiti team; they presented a power-point program on their mission: building homes, participating in the medical clinic and rebuilding hope by witnessing to the people of Haiti. New team members were also installed at this meeting.

FRBA WMU team members also attended WMU-NC Missions Extravaganza at Ridgecrest and a Leadership Conference in Hillsborough. Missions Extravaganza was a celebration for missions involvement and the Conference was a strategic planning session for Region 4 to plan for the future of WMU-NC and its member associations.

Day camps were held for Missions Friends at Enon Baptist Church and Girls in Action/Children in Action at Tabbs Creek Baptist Church.

Team members participated in the "Back to School Bash" at Greater Joy Baptist Church; fed participants helping to rebuild homes in Vance and Granville through Rebuilding Hope/World Changers and also contributed to the WMU-NC Prison Retreat.

In August, the annual Leadership Training Conference was held at Oxford Baptist Church with a large group of churches and women represented. Instead of meeting in separate conferences as has been the previous practice, we instead rotated among three conferences: WMU Directors/Women on Mission, Youth/Children, and Mission Involvement. Positive comments were offered about attendees being able to find out about all areas of FRBA WMU and how they can be more effective in their leadership roles.

This past year has been an encouraging and uplifting one with team members bringing new ideas about involving more women and children in missions. Thank you to all FRBA WMU team members for the work you are doing in our association and continue to give God the glory for the work He is doing in us.

CHRISTIAN HIGHER EDUCATION

Many great things have happened at the five affiliated educational institutions this year. Campbell University announced plans to open the School of Osteopathic Medicine and the charter class of the Physicians Assistant Program began this fall. Chowan plans to begin a Masters in Counseling and a Masters in Business Administration courses of study. Gardner-Webb opened the new Charlotte Center for evening and graduate study and Mars Hill began its Masters in Education program. Wingate's Physicians Assistant Program graduated its fist class in December 2010. Students have also been involved in

missions and ministry. More than 400 students, faculty and staff participated in Campbell's Operation Inasmuch. Chowan sent mission teams to serve in Haiti and East St. Louis. Gardner-Webb was recognized as one of the top 10 schools in the nation for mobilizing students through the North American Mission Board and Mars Hill College saw students complete nearly 16,000 hours of service in the community. Wingate students in the Physician Assistant studies program volunteered in Haiti, helping to provide medical services. The Convention continues to provide scholarships to undergraduate full-time students who are members of a church affiliated with the Baptist Stare Convention and attending one of the affiliated schools. For the 2011-2012 academic year, almost 700 scholarships were awarded totaling more than $800,000. North Carolina Baptists also invested in Theological Education Grants awarded to students attending Campbell School of Divinity and the Christopher White School of Divinity at Gardner-Webb. Christian higher education plays an invaluable role in preparing students to succeed in the vocations to which God has called them and helps students build foundations of faith that are based on truth from God's Word. Thank you for your continued support.

CHURCH ANNUAL EVENTS

ENON BAPTIST: Church & Community Day

Seven years ago in 2004 the fellowship of Enon Baptist Church sought a plan to introduce itself to the surrounding community. Church and Community Day was conceived; on this special day, the third Saturday in September of each year the fellowship provides an afternoon of fun, games, food and music to anyone who wishes to attend and learn more about Enon's mission and ministry. The planning committee realized early on that other local and community events could possibly conflict with any date chosen.

Games for children begin at 2:30, including the ever-popular dunking booth, bouncy castle, snow cones and many other game stations, concluding with a Magic Show by Enon's own Jim Graham. Mule Town, a well-known bluegrass band usually performs around 4:30 pm and then again at 5:00 pm while visitors partake of a sumptuous meal of BBQ chicken, beef roast, pork in a biscuit, and the very best home cooked vegetables and desserts, served on the grounds. Homemade ice cream and sherbet, created by Mr. Morris Jones of Creedmoor with his "hit & miss" ice-cream making machine, is served throughout the afternoon. In 2010 the Enon ladies had the latest edition of the Enon Cookbook for sale. If you have ever eaten with the Enon Family, you know from experience you enjoyed some of the best cooked food in the county. There was also a "Silent Auction" that offered something for everyone if you were willing to outbid the next person and it was all for a good cause. The proceeds fund many, many worthy mission projects throughout the year. The meal, music and games are FREE. In 2010, pastor James C. Shelley, Jr. contrived "Showdown at Sundown", a standoff that took place between a "quick draw deacon" and an "easy hand trustee." The gentlemen's wives also got involved, much to the amusement of the crowd that witnessed the showdown. There is no telling what Pastor Shelley has up his sleeve each year to tickle your interest. We invite everyone to come and see for yourself our Annual Church and Community Day. We promise it to be a day of fun and fellowship.

MOUNT OLIVET: Sportsman Rally

Four years ago Pastor Carl Hunter had the vision of an outdoor ministry that came together as the Sportsman Rally. It began in 2008 with the men of the church helping organize and invest in many wild game foods. It was later given the name Mount-n-Men Ministries, Sportsman Rally. Each year there are opportunities to win large gifts, such as deer rifles, muzzle loaders, air guns, deer stand, fishing rods, fishing reels, hunting trips and many more. There is also a very inspirational speaker each year. In 2009 and 2010 the speaker was Mr. Mike Noles of Conman's Hunting and Fishing and in 2011 the speaker was Rev. Eddie Pettit, Director of RA Boys Camp in Sunset, SC and also a former pastor at Mount Olivet. The purpose of the event is to be a witness of Jesus Christ through the medium of the great outdoors. Many families as well as individuals participate in some type of outdoor activities.

The people at Mount Olivet believe the Sportsman Rally (Mount-n-Men Ministries) is a new and exciting way to show God's love and to be His witness in our world with those who hunt, fish, etc. in God's Great Outdoors. The whole event is FREE to those who attend. There are donation baskets if anyone wishes to contribute to the event. The event usually takes place on the third Friday evening of September on the grounds at Mount Olivet Baptist Church under a huge tent and is open to men, women, boys and girls. The church family and some outsiders donate the funds and the foods to make this event come to life. The first year the turnout was over 250, the second year over 500, the third year 840 and in 2011 approximately 800 even under rainy, muddy conditions. If you participate in any type of outdoor sport, come out to Mount Olivet for a great inspirational evening.

Updated History of Tabbs Creek Baptist Church

Tabbs Creek Baptist Church was organized in 1775 and is distinguished as the second oldest church in the Flat River Association. It is located on Tabbs Creek Church Road in the Antioch Community east of Oxford. The church has experienced much growth with leadership from God-fearing pastors and interim pastors since its history was last featured in the FRBA 1993 Annual.

Missions are very important at Tabbs Creek with WMU and the Brotherhood providing mission learning experiences for all age groups. Our WMU received the "Distinguished" Award 1992-1994. Danielle Hart and Melissa Currin were youth members of the Delaware Mission Teams in the mid-1990's. Wayne Clark was licensed by Tabbs Creek to serve as a chaplain at Granville Hospital in early 1996. He felt convicted of God to become a minister a year later and was ordained. He is now pastor of Dexter Baptist Church. Rev. Malcolm Yarnelle went on a mission trip to Russia in 1997 to teach a class of young pastors and to pass out Bibles. The Crossroads Youth sponsored a mission trip to Grifton, NC in 1999 assisting in disaster relief following flood damage left by Hurricane Floyd. Robert West, Sr. west to Alaska on a mission trip in 2000. Tabbs Creek hosted the FRBA Annual meeting in 2000. In 2005, the FRBA called Becky Currin as its Church and Community Ministries Director. Former Crossroads Youth member PFC Christopher Johnson was killed in the line of duty in Iraq in 2007. The Youth went to West Virginia in 2009 and 2010 conducting evangelism missions. In 2011, Becky Currin, Pam Hart, Cindy Parker and Betty Lou Watson went to Haiti serving on medical and home construction teams following the 2010 earthquake in that country. In 2011, our church began its first year of service as an Operation Christmas Child Relay Center for Samaritan's Purse.

"Home" missions are very important as our church supports all mission endeavors in the surrounding communities.

Construction updates: In 1994-94 a covered shelter was constructed to connect the existing picnic shed to the rear of the Educational Building which allows drive through access during inclement weather. A cement floor was poured under the shelter and a new entry door was cut into the building. Memorial funds provided oak chairs for the Senior Adult Ladies Sunday School class. New choir robes were purchased in 1995. Our church was incorporated in 1997.

In 1997 God gave Alice Overton a vision of a new fellowship hall with a commercial grade kitchen, seven classrooms and two restrooms. The church voted in favor and construction began. Faithful members and friends generously gave funds and a note burning ceremony was held December 12, 2000. Three acres of land were purchased behind the church from the Dean family in 1999. In 2000, the family of Mamie Carter gave her memorial funds to construct a brick church sign at the back entrance to the church grounds. The Betty Cobb Memorial Library was constructed within existing space and dedicated in 2003. Our church has also produced two cookbooks. A new 25 passenger bus was purchased in 2003. The church nursery was renovated in 2005 and named the Lindsey Reavis Memorial Nursery in 2007. A transom window above the Vestibule doors was replaced with a stained glass scene in memory of Lindsey Reavis. A new sound system was installed in 2010 with a LCD projector and a retracting screen. Beautiful new stained glass windows were installed in our sanctuary and vestibule in 2011.

Our Church Purpose: "We are a loving family of the Living God; we invite others to worship God with us through faith in Christ; we seek to nurture one another by our gifts from the Holy Spirit." Authored by Rev. Malcolm Yarnelle and Norma Leigh Critcher, 1997.
